small part to his legions of devoted and adoring fans is the subject of one of Wikipedia's most popular articles. According to The Observer, a UK Based newspaper, Bieber is more influential in the social networking world than such world figures as President Barack Obama and the Dalai Lama. Jan Hoffman of The New York Times postulates that Bieber's YouTube channel has played a crucial role in his appeal and popularity. Long before the release of his first EP, My World, Bieber's YouTube channel had already garnered millions of views. This savvy and unarguably successful marketing ploy was pivotal in attracting a devoted fan base even before he had officially released a record. So just how did this young Canadian boy rocket from obscurity to being one of the most popular teen idols of all time?

EXCERPT FROM THE BOOK

Braun then flew Bieber just age thirteen down to Atlanta to record some demo tapes. Within a week of his arrival, Bieber found himself performing for R & B sensation Usher, who was also Braun's business partner. Usher was at least as impressed with Bieber's talent and appeal as Braun was, and Bieber was shortly contracted to Raymond Braun Media Group (RBMG), a joint venture established by Usher, Raymond, and Scooter Braun. Justin Timberlake was also reportedly in the running to sign the young artist but lost the bidding war to Usher. Usher then began work on the process of finding a record label for his young protégé with the assistance of his then manager Chris Hicks, who helped procure an audition with his contact at Island Def Jam Music Group, Antonio L. A. Reid. In October of 2008, Reid signed Bieber to Island Records, resulting in a joint venture between RBMG and Island Records. Reid also appointed Hicks as executive Vice President of Def Jam so he would be able to manage Bieber's career at the label.

Justin Bieber: Just Getting Started Justin Bieber, 2012-09-13

My story is something I like to share with others to show people that with enough belief in yourself and what you can accomplish, anything is possible. Justin Bieber. From Tel Aviv to Tokyo over the past few years, I've traveled around the world and back again. It's been amazing, but it's also hard to believe that not so long ago I was singing on the streets of Stratford, Ontario. I can honestly say that anything is possible; anyone can live the dream, and every day is a blessing. Now everywhere I go, I'm met with so much love. It's all about you, my fans, and that's why I'm dedicating my book to everyone who's come to sing along. I want to share the stories of my life on the road with you. From the crazy highs of performing on stage to spending those precious quiet moments with my friends and family, I want to give you a personal backstage pass to my world. It's been exhausting but always eye-opening and amazing. It's astonishing to think that so much has happened and yet this is just the beginning. I'm just getting started.
