Westing Game Study Guide Work:

The Westing Game: An Instructional Guide for Literature Jessica Case, 2018-06-01 This standards based instructional guide provides teachers with rigorous activities and lesson plans to help students comprehend complex literature as they read the 1979 Newbery Medal winning mystery novel *The Westing Game*. Students will learn how to analyze the text to determine meaning, make summaries, and more. Text dependent questions help students analyze the text with higher order thinking skills with lessons focused on story elements, vocabulary, and more. Close reading activities throughout the literature units encourages students to use textual evidence as they revisit passages to respond more critically about the text. Support the rich exploration of literature in today's classrooms with this resource. [The Westing Game - Literature Kit Gr. 7-8](#) Eleanor Summers, 2014-12-17 Unravel the secrets at the center of an intriguing murder mystery game. Activities are meant to excite students throughout the reading. Using the chapter titles as clues, predict what might happen in each one. Identify elements of foreshadowing from the novel and imagine what will take place. Follow the clues in the story to solve the game before any of the characters. Identify cause and effect by explaining why each event happened. Keep track of the variety of characters with comprehension questions. Students will write their own prologue and epilogue at the completion of the reading. Compare two different characters' perspectives of the same event from the novel. Aligned to your State Standards and written to Bloom's Taxonomy, additional crossword, word search, comprehension quiz, and answer key are also included. About the Novel: *The Westing Game* is a Newbery Medal winning story about a group of people playing the game of whodunnit. The millionaire Samuel W. Westing, owner of Westing Paper Products, has died. Sixteen heirs are invited to live in the Sunset Towers apartment building. These heirs come together to read the will of the late self-made millionaire. The will challenges them to solve the murder of Sam Westing by splitting up into eight pairs. Each pair is given a set of clues and 10,000 dollars to play the game. The winner will inherit the 200,000,000 fortune and unravel the secret behind the old man's death.
