What a Devilish Duke Desires Vicky Dreiling, 2024-09-24 WILL A FEW FLIRTATIOUS STEPS Harry Norcliffe never wanted to inherit his beloved uncle's title The rigidity of the ton the incessant reminders from his marriage minded mama that he must settle down with a highborn lady and produce an heir and a spare it's all such a dreadful bore So when his mother asks him to take part in a dancing competition he patently refuses The last thing he needs is another chore until a beautiful brilliant delightfully tempting maid makes him rethink his position LEAD TO A SCANDALOUS SEDUCTION Most women would be over the moon to be pursued by a wickedly handsome not to mention wealthy duke like Norcliffe But Lucy will not be any man's trophy She could use a friend though and what begins innocently soon ignites into desire As Lucy tries to resist Harry's scorching kisses he makes an utterly irresistible offer Enter the dance contest with him and win a prize that could change her life forever if falling in love doesn't change it first *The English Review*, 1913 **The Rogue Who Rescued Her** Christi Caldwell, 2018-10-02 The 3rd Book in the bestselling series The Brethren by USA Today Bestseller Christi Caldwell Martha Donaldson went from being a nobleman's wife and respected young mother to the scandal of her village After learning the dark lie perpetuated against her by her husband she knows better than to ever trust a man Her children are her life and she'll protect them at all costs When a stranger arrives seeking the post of stable master everything says to turn him out So why does she let him stay Lord Sheldon Graham Whitworth has lived with the constant reminders of his many failings The third son of a duke he's long been underestimated that however proves a valuable asset as he serves the Brethren an illustrious division in the Home Office When Graham's first mission sees him assigned the role of guard to a young widow and her son he wants nothing more than to finish quickly and then move on to another more meaningful assignment Except as the secrets between them begin to unravel Martha's trust is shattered and Graham is left with the most vital mission he'll ever face winning Martha's heart Length Full length book This is the third book in The Brethren series but can be read as a standalone Writing Anthropology Carole McGranahan, 2020-05-01 In Writing Anthropology fifty two anthropologists reflect on scholarly writing as both craft and commitment These short essays cover a wide range of territory from ethnography genre and the politics of writing to affect storytelling authorship and scholarly responsibility Anthropological writing is more than just communicating findings anthropologists write to tell stories that matter to be accountable to the communities in which they do their research and to share new insights about the world in ways that might change it for the better The contributors offer insights into the beauty and the function of language and the joys and pains of writing while giving encouragement to stay at it to keep writing as the most important way to not only improve one's writing but to also honor the stories and lessons learned through research Throughout they share new thoughts prompts and agitations for writing that will stimulate conversations that cut across the humanities Contributors Whitney Battle Baptiste Jane Eva Baxter Ruth Behar Adia Benton Lauren Berlant Robin M Bernstein Sarah Besky Catherine Besteman Yarimar

**Ultimate Collection** Honoré de Balzac, 2023-11-10 Honoré de Balzac's BALZAC Ultimate Collection serves as a comprehensive anthology of the author's prolific works encapsulating the rich tapestry of French society in the early 19th century. Balzac's distinctive literary style, characterized by keen psychological insight and intricate character development, offers a panoramic view of the social dynamics and class struggles of his time. The collection includes key novels from his monumental series *La Comédie Humaine*, an ambitious project that traverses the lives of over a thousand characters artfully intertwining their narratives to reveal the complexities of human motivations and societal structures. Balzac himself was a product of a rapidly changing France, navigating the turbulence of the Restoration and the July Monarchy. His experiences as a failed businessman coupled with his deep immersion in Parisian life as a struggling writer provided him with a wealth of material that informed his literary creations. His relentless work ethic and desire to portray the truth of his era are evident throughout this collection, showcasing the stark realities and vibrant personalities emerging from the backdrop of 19th-century France. This ultimate collection is indispensable for both scholars and enthusiasts of classic literature. It not only illuminates the genius of Balzac's storytelling but invites readers to explore the intricacies of human nature and society that resonate even today. For anyone seeking a profound understanding of literary realism and the socio-cultural fabric of its time, Balzac's works serve as a timeless testament to the art of narrative. *The Works of Shakespeare* William Shakespeare, 1880
