The Causes of the Civil War Kenneth Milton Stampp, 1965 The causes of the Civil War brings into sharp focus the major issues real or imagined that divided northerners and southerners in a disastrous national crisis Juxtaposing articles and speeches by men who lived through the struggle with the interpretations of post Civil War historians Kenneth M Stampp brings face to face spokesmen for the major schools of thought Was slavery the determining cause Can the blame be laid either to Black Republican agitation

or to the ruthless machinations of a Slave Power conspiracy Was the war an irrepressible conflict between an agrarian South and an industrialized North This volume provides no answers Rather the readings including several new selections reveal the uncertainty about the war s causes that has repeatedly driven historians back to the sources They help us to enlarge our knowledge and deepen our understanding of the differences that set brother against brother Page 4 of cover

The Civil War in America, 1861 *Causes of the Civil War in the United States* James Paul Cobbett, 1861 Causes Of The Civil War In America John Lothrop Motley, 2023-07-18 In this book John Lothrop Motley analyzes the causes and events leading up to the American Civil War He draws attention to the underlying tensions between states and discusses the political and social implications of slavery in America Motley s work is an essential read for anyone curious about the events that precipitated the Civil War This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

CAUSES OF THE CIVIL WAR IN AMERICA JOHN LOTHROP. MOTLEY, 2018 Causes of the Civil War Jennifer L. Rowan, 2019 The institution of slavery shaped the economic social and political history of the United States Tensions between supporters and opponents of slavery simmered for decades with ever increasing intensity before boiling over into a devastating four year civil war This book examines the series of compromises aimed at diffusing sectional conflict during the first half of the nineteenth century the development of political strategies the outbreak of armed hostilities and the eventual secession of eleven Southern states in a bid to perpetuate the institution of slavery

Historic Papers on the Causes of the Civil War Eugenia Dunlap Potts, 2005-01-01 No pen or brush can picture life in the old Southern States in the ante bellum days The period comprehends two hundred and fifty years of history without a parallel A separate and distinct civilization was there represented the like of which can never be reproduced Socially intellectually politically and religiously she stood pre eminent among nations It was the spirit of the cavalier that created and sustained our greatness Give the Puritan his due and still the fact remains The impetus that led to freedom from Great Britain came from the South A Southern General led the ragged Continentals on to victory Southern jurists and Southern statesmanship guided the councils of wisdom The genius of war pervaded her people She gave presidents cabinet officers commanders tacticians and strategists Her legislation extended the country s territory from the Atlantic to the Pacific A writer aptly says For more than fifty formative years of our history the Old South was the dominating power in the nation as it had been in the foundation of the colonies out of which came the Republic and later in fighting its battles of independence and in forming its policies of government Whatever of strength or symmetry the republic had

acquired at home or reputation it had achieved abroad in those earlier crucial days of its history was largely due to the patriotism and ability of Southern statesmanship Why that scepter of leadership has passed from its keeping or why the New South is no longer at the front of national leadership is a question that might well give pause to one who recalls the brave days when the Old South sat at the head of the table and directed the affairs of the nation *The Myth of the Lost Cause and Civil War History* Gary W. Gallagher, Alan T. Nolan, 2000 The myth of the Lost Cause of the Confederate States in the Civil War was and is an elaborate and intentional effort on the part of southerners to rationalise the secession and the war itself Unfortunately for historical truth and the national memory these skilful propagandists beginning with Jubal Early have been so successful that the Lost Cause has assumed a life of its own and continues to misrepresent what really happened distorting the national memory in the process In this book nine historians analyse the Lost Cause describing its content and identifying its falsity The work is thus a major contribution to Civil War historiography *The Causes of the Civil War* Hans Louis Trefousse, 1982 **The Causes of the Civil War** Paul Calore, 2014-10-16 While South Carolina's preemptive strike on Fort Sumter and Lincoln's subsequent call to arms started the Civil War South Carolina's secession and Lincoln's military actions were simply the last in a chain of events stretching as far back as the early 1750s Increasing moral conflicts and political debates over slavery exacerbated by the inequities inherent between an established agricultural society and a growing industrial one led to a fierce sectionalism which manifested itself through cultural economic political and territorial disputes This historical study reduces sectionalism to its most fundamental form examining the underlying source of this antagonistic climate From protective tariffs to the expansionist agenda it illustrates the ways in which the foremost issues of the time influenced relations between the North and the South **Causes of the Civil War** Jason W. Stevens, David Tucker, 2019-07
