Leslie North, Adrianna hates being at home. Her socialite step mother and step sister are already reminding her why she left. This was the last place Adrianna ever wanted to be. That was until she met Trevor Morgan. Captivated by his striking good looks and charm, she doesn't understand why the cut throat tycoon would be interested in a curvy girl like her. Business always comes first for the billionaire yacht tycoon, but something about Adrianna gets beneath his tough exterior. He couldn't believe how perfect Ady was. He was sick of the typical Southern Californian bimbo; all they cared about was his money and getting him into bed. Ady was different. But he can't figure out how she can be so warm one moment and then so cold and distant the next. What secrets is she hiding? All he knows is he wants Ady. And he will do anything to get her. NOTE: Contains strong BDSM elements. If you liked 50 Shades of Grey you'll probably like this. [The Tycoon's Pregnant Lover](#)

Leslie North, Romance novelist Brandy Jackson is not a one night stand kind of girl, but with Maximillian Benton she's willing to make an exception. Big mistake. Turns out the charming handsome man with a sexy British accent is a jerk who's only interested in laying claim to Landon Castle, the inheritance Brandy received when her beloved grandmother died. But apparently through a cheating attorney, the castle was purchased at auction by Max. When a judge orders them to both live at the castle until the legal matter is resolved, Brandy reluctantly agrees. As big as the castle is, it turns out to be too small for her and Max, who find themselves spending more and more time together. And even though Brandy knows Max isn't her happily ever after, when the heat becomes too much, she still gives in to her passion. Bigger mistake. Now she's pregnant. Max's motives for wanting the castle are simple revenge. A billionaire software designer, Max was swindled by the man who owned the castle, and now it's sweet payback, owning the thing his nemesis loved most. So when his plans are sent awry by a pretty American, he has no choice but to dig in his heels and make sure the castle remains his. Max tries rather desperately to ignore his attraction to Brandy and the way his heart expands whenever they're together. Despite his cynicism about love, he can't help wondering if Brandy might be different from all the other women he's met. But when he believes he's been duped by her sweet smile and sexy body, Max all too readily decides ending what they have is for the best. Happily ever after just isn't for him. But he can't shake the feeling he may have lost the best thing in his life. [VideoHound's Golden Movie Retriever 1996](#)
