The Letters of William Lloyd Garrison William Lloyd Garrison, 1971 By 1861 William Lloyd Garrison's public image had progressed from that of impulsive fanatic to one of widely respected and influential abolitionist As editor of *The Liberator* and president of the American Anti Slavery Society he was the acknowledged spokesman for radical antislavery opinion Garrison was profoundly disturbed by the advent of war In his correspondence he kept military events at a distance focusing on the morality of the conflict an issue made the more poignant by his eldest son's enlistment in the 55th Massachusetts Regiment in 1863 the same year that his wife suffered a paralytic stroke Gradually he became convinced that the war would effect the abolition he had sought for so many years Likewise his attitude toward Lincoln underwent significant changes he moved from critic to supporter defending the President's re election against the arguments of fellow abolitionists His visit with Lincoln in the White House he described as a very satisfactory one indeed for he was pleased with Lincoln's spirit and the familiar and candid way in which he unbossed himself With the war ended and his goal as abolitionist achieved Garrison discontinued *The Liberator* and withdrew from the American Anti Slavery Society Fortunately friends arranged for a national testimonial that provided financial security By 1866 1867 he was enjoying an active retirement with honors at home

the embodiment of the American Dream as the child of immigrant parents who came to this country with very little and who never expected to see their son get his big break by sliding off an oiled up naked woman in a raunchy Ryan Reynolds movie He also pulls back the curtain on racism in Hollywood and the constant reminders that he would never fit in And of course he reveals how after twenty five years fighting for success in Hollywood he made the terrifying but rewarding decision to walk away from it all for a career in politics Above all You Can t Be Serious shows that everyone can have more than one life story Penn bravely demonstrates by example that no matter who you are and where you come from you have many more choices than those presented to you It s a story about struggle triumph and learning how to keep your head up And okay yes it s also about whether Kal really smoked weed in the White House with the former First Lady because let s be honest that s what you really want to know
