

Pre-Season Letter to Parents

Dear Parent:

Welcome to Bonita Matrix of AYSO Region 116. Your child has tried out and has been selected to play in our soccer club in a more challenging environment. This program will allow players with similar abilities and skill development to play in more competitive games.

One of the factors critical to the success of the program is sideline behavior. Bonita Matrix has clearly defined expectations for spectators. Please read and follow the *Parents Code of Conduct*. This program needs the combined positive efforts of all participants to be successful. This form is to be completed and returned prior to your child attending his/her first practice or to the Parent Orientation meeting, whichever is sooner.

If you have any questions regarding this program, please contact our Director of Coaching (Anthony Johnson) at: anthony.johnson@cox.net

Sincerely,

Coach John/Jane Doe

The Cyprus Detention Camps Yitzhak Teutsch, 2019-07-23 Beginning in August 1946 stateless and visaless Jews most of them survivors of the Nazi death camps who sought to immigrate to the Land of Israel were intercepted by the Royal Navy and deported to the nearby island of Cyprus where they were detained in camps surrounded by barbed wire Despite occupying a dramatic and fateful position in modern history this saga has remained largely inaccessible due to the widespread dispersal of the primary sources and the linguistic difficulties presented by them To address these problems this book scrutinizes the scholarly literature consulting hundreds of primary sources many of them previously unknown on three continents bringing together interviews with scores of eyewitnesses and translating foreign language terms into English The result is a comprehensive meticulously footnoted guide that uses such tools as maps a detailed timeline and biographical entries to make this riveting saga accessible to a broad audience of scholars and general readers

Scholastic Coach, 1988

The Passion for the Beautiful Game, Soccer Gene Ventriglia, 2022-05-23 Gene Ventriglia was a very poor fourteen year old immigrant when he arrived in New York harbor in early July 1958 Coming from the tiny village of Alife Italy he had grown up in a farm village of about three hundred inhabitants The village as well as his parents house had been leveled by bombs in the final days of World War II In 1958 the memories were still very much alive as postwar reconstruction was far from completion These were the surroundings where Gene Ventriglia grew up Gene had only known his small village and was unaware that common items such as telephones and TV sets even existed One can only imagine his reaction upon seeing the New York skyscrapers and the size and number of cars when he first walked on the New York streets He had no idea how his life would change in the

very near future How would he react He wondered if he would make friends After all how would he communicate He did not know a word of English Gene soon realized that getting a good education was the key to success However he also realized that it would take great efforts and motivation on his part Was he willing to put in the necessary effort He needed to learn a new language in a community where he only heard Italian His search to find that American Dream lasted more than sixty years During this time Gene was faced with one challenge after another in his search for that dream In each case Gene used his passion for the game of soccer to fuel his inner motivation and determination not to give up every time he arrived at a dead end Gene s path to finding that dream was full of surprises In all cases he was very determined and he demonstrated outstanding motivation to achieve his goal

IV Geoffrey P. Megargee, Mel Hecker, 2022-04-26 The United States Holocaust Memorial Museum Encyclopedia of Camps and Ghettos 1933-1945 Volume IV aims to provide as much basic information as possible about individual camps and other detention facilities. Why were they established? Who ran them? What kinds of prisoners did they hold? What kinds of work did the prisoners do and for whom? What were the conditions like? The entries detail the sources from which the authors drew their material so future scholars can expand upon the work. Finally and perhaps most important, this is a work of memorialization; it preserves the histories of places where people suffered and died. Volume IV examines an under-researched segment of the larger Nazi incarceration system: camps and other detention facilities under the direct control of the German military, the Wehrmacht. These include prisoner-of-war (POW) camps including camps for enlisted men, camps for officers, camps for naval personnel and airmen, and transit camps; civilian internment and labor camps; work camps for Tunisian Jews; brothels in which women were forced to have sex with soldiers; and prisons and penal camps for Wehrmacht personnel. Most of these sites have not been described in detail in the existing historical literature, and a substantial number of them have never been documented at all. The volume also includes an introduction to the German prisoner-of-war camp system and its evolution; introductions to each of the various types of camps operated by the Wehrmacht; and entries devoted to each individual camp, representing the most comprehensive documentation to date of the Wehrmacht camp system. Within the entries, the volume draws upon German military documents, eyewitness and survivor testimony, and postwar investigations to describe the experiences of prisoners of war and civilian prisoners held captive by the Wehrmacht. Of particular note is the detailed documentation of the Wehrmacht's crimes against Soviet prisoners of war, which have largely been neglected in the English language literature up to this point, despite the fact that more than three million Soviet prisoners died in German captivity. The volume also provides substantial coverage of the diverse range of conditions encountered by other Allied prisoners of war, illustrating both the substantial privations faced by all prisoners of war and the stark contrast between the Germans' treatment of Soviet prisoners and those of other nationalities. The volume also details the significant involvement of the Wehrmacht in crimes against the civilian populations of occupied Europe and North Africa. As a result, this volume not only brings to light many detention sites whose existence has been little known but also advances the decades-old process of dismantling the myth of the "clean" Wehrmacht, according to which the German military had nothing to do with the Holocaust and the Nazi regime's other crimes.

Ludwig Wittgenstein Ludwig Wittgenstein, 2003-05-19 In the safety of his manuscripts, Ludwig Wittgenstein was free to endlessly revise, rework, and reframe his philosophical thoughts. Thus, his published work yields a glimpse of just a small portion of Wittgenstein's philosophical thought, the portion that eventually appeared in print.
