Just by Looking at Him Ryan O'Connell, 2023-06-06 From the first line of Just by Looking at Him you'll know this story is so much more than boy meets boy First there's the humor Elliot is a writer who spends his days navigating the backstabbing the pressure and the day to day snark of writing aggressively average television In laugh out loud detail we're immediately with him on his journey to try to get his lines onto the screen But there's a deeper and more poignant story beating at the heart of this would be rom com Instead of the usual boy meets boy the person you really fall in love the one you're rooting for until the end is the protagonist himself As a gay man with cerebral palsy Elliot has always searched for the one and he thought he found that person in Gus his doting boyfriend And yet he can't seem to stop cheating Elliot falls into a rabbit hole of sex drinking and addiction and ultimately learns that the person he truly needs to learn to accept is himself As incisive commentary on gay life today a heart centered laugh out loud exploration of self and a rare insight into life as a person with disabilities who refuses to be a victim critics and readers alike will fall in love with this story

The Kingdom of Prep Maggie Bullock, 2023-03-07 One of Vogue's most anticipated books of 2023 A quintessentially American fashion narrative about the rise and fall of the first lifestyle brand J Crew and what the company's fate means for the shifting landscape of the retail industry Once upon a time a no frills J Crew rollneck sweater held an almost mystical power or at least it felt that way The story of J Crew is the story of the original lifestyle brand whose evolution charts a sea change in the way we dress the way we shop and who we aspire to be over the past four decades all told through iconic clothes and the most riveting characters imaginable In *The Kingdom of Prep* seasoned fashion journalist Maggie Bullock tells J Crew's epic story for the first time bringing to life the deliciously idiosyncratic people who built a beloved brand unpacking the complex legacy of prep a subculture born on the 1920s campuses of the Ivy League and how one brand rose to epitomize American style in two very different golden eras and also eventually embodied the retail apocalypse that rocked the global fashion industry and left hollowed out malls across the country In a juicy business narrative rich with humor and insight Bullock combines the colorful characters of *The Devil Wears Prada* the business insight of *Deluxe* and the nostalgia factor of *True Prep* to chart J Crew's origin story its Obama era heyday and its brush with death decline through the stories of the mercurial characters who helmed the company There is founder Arthur Cinader who set out to sell the Ralph Lauren look for half the price and his daughter Emily who turned J Crew into a new campus uniform and then a temple to 90s minimalism Then came ex Gap CEO Mickey Drexler the most renowned and controversial retailer of his generation who took J Crew to a never before seen peak only to contribute to its financial

disaster and the brilliant designer Jenna Lyons who rose from the anonymous ranks of a catalogue company to become a star in her own right but burned so bright she left J Crew in her shadow Through extensive interviews with more than 100 J Crew insiders and top industry experts Bullock crafts an impossible to put down neon glitter sprinkled tale that traces the trajectory of American style invites us into the inner sanctum of fashion s most bold faced names and weaves together the threads of style finance and culture like no other brand s story in our lifetime Cincinnati Magazine ,1992-09 Cincinnati Magazine taps into the DNA of the city exploring shopping dining living and culture and giving readers a ringside seat on the issues shaping the region *Assembly* West Point Association of Graduates (Organization),1999 **ThirdWay** ,1986-11 Monthly current affairs magazine from a Christian perspective with a focus on politics society economics and culture
