*The Grand Scam* Rob Rose, 2013-11-20 From 2005 to 2009 the heir to one of South Africa's blue blood families Barry Tannenbaum methodically constructed the largest ever con in South African history The Grand Scam exposes details about the brazen greed of the scammers a bank that facilitated the shady dealings rather than alerting the authorities and the naivety of business people who should have known better It goes far beyond the original news stories containing original research and material that for the first time answers the central question of why Barry Tannenbaum the grandson of the founder of one of the country's biggest pharmaceutical firms Adcock Ingram offered investors stratospheric returns of more than 200 per cent a year by investing in the components used to make AIDS drugs It was nothing more than a lie which suckered the country's business elite including the former CEO of Pick n Pay the one time head of the Johannesburg Stock Exchange and the ex boss of OK Bazaars After the bubble popped in June 2009 finance minister Pravin Gordhan announced that hundreds of investors in South Africa Australia and Europe had ploughed more than R12.5 billion into Tannenbaum's scheme based on the empty promise of immense riches Dwarfing the Brett Kebble rip off Fidentia and the Krion pyramid scheme it proved to be the most embarrassing financial disaster in the country's history and it exposed holes in a banking and financial system billed as one of the safest in the world For Tannenbaum's victims the nightmare continued after the scheme collapsed as liquidators tax officials and criminal investigators demanded their pound of flesh But Tannenbaum now at large on Australia's Gold Coast continues to live as if nothing happened working for an Australian insurance company The question that hasn't been answered until now is how did Tannenbaum swindle so many people with such ease And more crucially why did he do it Through extensive interviews with his family friends and numerous investors this book provides the startling answers to those questions For the first time the real motivation that fuelled South Africa's Bernie Madoff is laid bare
