The Road Away from God Jonathan Martin, 2022-06-07 It's no easy journey disentangling the good news of the gospel from the toxic theologies that have rendered Jesus unrecognizable It's no wonder the church has sent many walking In *The Road Away from God* Jonathan Martin reimagines Luke's story of two disillusioned disciples walking the Emmaus road away from the holy city where they had watched their hope die a gruesome death right before their eyes For anyone who is feeling their faith unravel reckoning with religious trauma or walking the long road of deconstruction Martin speaks compassionate hope into the journey of today's disillusioned disciples revealing that the resurrected Christ is profoundly present with them even on what seems to be the road away from God With a pastor's heart and poet's touch as Rachel Held Evans once wrote of

Martin this is a book to help you feel seen in your spiritual journey and all its complexities and to find resurrection even where you least expect it Word Made Flesh John Main,2013-01-02 Offers insights into the kind of prayer that enables us to bring the whole of our being to God and to let the power released into the world by the life death and resurrection of Jesus flow through our hearts and into the world Silence and Stillness in Every Season John Main,Main,1997-12-31 Many thousands of people across the world have found their spiritual lives enriched by the daily practice of Christian meditation the method of silent prayer taught by Benedictine monk John Main It is a tradition which draws on the ancient wisdom of the Bible the Hindu Upanishads and the early Christian Desert Fathers John Main wrote several books on contemplative prayer before he died in 1982 but this collection is the only one to draw the essence of all his teachings into one volume Paul Harris has devotedly selected the essential extracts from each of John Main's works and arranged them here in an attractive and practical daily readings format Jet ,1981-11-12 The weekly source of African American political and entertainment news

Initiation of the Soul Pamela S. Alexander PhD,2019-12-11 We are in the midst of an epic evolution in consciousness that involves a radical shift in orientation from the ego to the heart and soul This transformative process requires a breaking down of the old form which we are witnessing personally and collectively to create the space for something new to emerge As we live from the soul and express our deepest truths we actively participate in this change Life experiences may seem as though they're random but in fact they have an intention deeper meaning and purpose which is to facilitate this transformation within us Everything is occurring to free us from our old beliefs outdated ways of living and any limiting ideas we have about life and ourselves In *INITIATION OF THE SOUL* Dr Pamela Alexander explores the soul's journey through myth and classic fairy tales In the initiatory mythic story of Psyche and Amor the goddess of love orchestrates events in order to awaken the soul from its slumber The heroine faces challenging tasks that draw the deeper truth of the soul's inherent wholeness freedom and power out of the unconscious and into an embodied awareness Dr Alexander proceeds from there to explore fairy tales that speak to the issues that arise during the soul's emergence These stories symbolically instruct us as to how to resolve our fears and open to love As inner restrictions are resolved we can embody expanded versions of ourselves and become more stable in a chaotic and uncertain world The stories guide us to free the soul from an egoic identification which is buffeted by the winds of change and the opinions of others to the unshakeable ground of being within Then we are empowered to live in freedom and wholeness as we participate in the creation of a new world *105 Esoteric Traditions of the World Book IV: Future Seeds of Sealed Wisdom: Ayahuasca Vedanta Alchemy Kabbalah Damanhur Rainbow Body Starseed Christianity Feminine Animism Dream Yoga Digital Shamanism Taoist-Tibetan Geometry Tensegrity* Laing Z.
