natural rights ✓✓ Life, Liberty, and Property

John Locke ✓✓ 17th century English philosopher who opposed the Divine Right of Kings and who asserted that people have a natural right to life, liberty, and property.

State of Nature ✓✓ Hypothetical condition assumed to exist in the absence of government where human beings live in "complete" freedom and general equality.

Due Process ✓✓ involves the government's obligation to treat all citizens fairly. Such a requirement lessens the extent to which government power can be exercised over the individual, making the power differential between the two more fair, and ensuring a general sense of political equality

Social Contract ✓✓ A voluntary agreement among individuals to secure their rights and welfare by creating a government and abiding by its rules.

Thomas Hobbes (1588-1679) ✓✓ One of the first individuals to contribute to the idea of the social contract was a pre-Enlightenment English philosopher

Leviathan (1651): Thomas Hobbes ✓✓ Hobbes argues that society is not something natural and immutable, but rather it is something created by us.

Labor Movement ✓✓ the formation of labor unions, during the 1880's, for the workers to receive better treatment by

America at War with Itself Henry A. Giroux, 2016-08-22 From poisoned water and police violence in our cities to gun massacres and hate mongering on the presidential campaign trail evidence that America is at war with itself is everywhere around us The question is not whether or not it's happening but how to understand the forces at work in order to prevent conditions from getting worse Henry A Giroux offers a powerful far reaching critique of the economic interests cultural dimensions and political dynamics involved in the nation's shift toward increasingly abusive forms of power His analysis helps us to frame critical questions about what can and should be done to turn things around while we can Reflecting on a wide range of social issues Giroux contrasts Donald Trump's America with Sandra Bland's to understand who really benefits from politically fueled intolerance for immigrants communities of color Muslims low income families and those who challenge state and corporate power A passionate advocate for civil rights and the importance of the imagination Giroux argues that only through widespread social investment in democracy and education can the common good hope to prevail over the increasingly concentrated influence of extreme right wing politicians and self serving economic interests Praise for America at War with Itself This is the book Americans need to read now No one is better than Henry Giroux at analyzing the truly dangerous threats to our society He punctures our delusions and offers us a compelling and enlightened vision of a better way America at War with Itself is the best book of the year Bob Herbert Distinguished Senior Fellow at Demos and former Op Ed columnist

for the New York Times In this current era of corporate media misdirection and misinformation America at War with Itself is a must read for all Americans especially young people Henry Giroux is one of the few great political voices of today with powerful insight into the truth Dr Giroux is defiantly explaining against the grain what s REALLY going on right now and doing so quite undeniably Simply put the ideas he brings forth are a beacon that need to be seen and heard and understood in order for the world to progress Julian Casablancas In America at War with Itself Henry Giroux again proves himself one of North America s most clear sighted radical philosophers of education culture and politics radical because he discards the chaff of liberal critique and cuts to the root of the ills that are withering democracy Giroux also connects the dots of reckless greed corporate impunity poverty mass incarceration racism and the co opting of education to crush critical thinking and promote a culture that denigrates and even criminalizes civil society and the public good His latest work is the antidote to an alarming tide of toxic authoritarianism that threatens to engulf America The book could not be more timely Olivia Ward Toronto Star America at War with Itself makes the case for real ideological and structural change at a time when the need and stakes could not be greater Everyone who cares about the survival and revival of democracy needs to read this book Kenneth Saltman Professor University of Massachusetts Dartmouth Author of The Failure of Corporate School Reform Henry A Giroux s most recent books include The Violence of Organized Forgetting and America s Addiction to Terrorism A prolific writer and political commentator he has appeared in a wide range of media including the New York Times and Bill Moyers

Privacy and the American Constitution William C. Heffernan, 2016-11-14 This book explains a paradox in American constitutional law how a right not discussed during the ratification debates at Philadelphia and not mentioned in the text has become a core component of modern freedom Rather privacy is a constitutional afterthought that has gained force through modern interpretations of an old text Heffernan defends privacy rights against originalist objections to its inclusion in modern constitutional doctrine analyzes the structure of privacy claims and provides a blueprint for protecting privacy against government incursion The book will appeal to a wide audience of students and researchers of criminal procedure constitutional history law and society and sociology of law Lawyers will find this book extremely valuable in addressing the statutory issues associated with modern privacy law At last a book about constitutional interpretation that speaks plain English and makes sense It s the best work I know on the subject yet that subject is not the one it s mostly about The book mostly tells the story of the constitutional right to privacy and how it emerged from provisions that at the outset were not much about privacy at all On that subject the book is definitive It s also fascinating probing engaging insightful and wonderfully presented Privacy and the American Constitution is a stellar contribution to knowledge Albert W Alschuler Julius Kreeger of Law and Criminology Emeritus University of Chicago A powerful and innovate contribution to constitutional law Not only does Heffernan offer us a fascinating and persuasive account of how modern constitutional rights grew out of the personal space offered to us in an earlier era he also explains why privacy rights deserve the newfound importance they have

Lets delve into the realm of top-selling books, exploring the captivating narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Us Constitution Answers 2015 : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
