Have Me Anne Marsh, 2021-02-01 Bad boy billionaire Liam Masterson accidentally marries his best friend's little sister in the latest decadent DARE novel by New York Times bestselling author Anne Marsh. My indulgent sex parties are renowned among San Francisco's elite. Doing naughty deeds while blackout drunk fuels the fire of my self-loathing. Waking up naked next to my best friend's little sister however is a step too far even for me. And when I see our matching wedding rings I know I've outdone myself. Hana Valentine always had a crush on me but I've kept it in my pants until last night. A temporary marriage will improve my image with investors so I do what billionaire bastards do best: throw money at the problem. Hana proposes a trade instead. She'll give me good guy lessons if I show her how to be deliciously bad. Now that I've seen her lush curves, felt her silky skin, tasted her honey-sweet mouth, I can't help but agree. Soon, sunny Hana is shining light and warmth on my hidden darkness. I find myself letting her in closer than I've ever let anyone. But will my destructive tendencies ruin the one thing that could save me? Or could being with Hana teach me how to have and to hold? Take control. Feel the rush. Explore your fantasies. Harlequin DARE publishes sexy romances featuring powerful alpha males and bold fearless heroines exploring their deepest fantasies.

Please Scream Quietly Julie L. Fennell, 2022-06-27 In *Please Scream Quietly*, professor and self-identified kinkster Julie Fennell offers an intimate, nuanced, and engaging portrayal of the lives and loves of a BDSM community. In this first of its kind collective autobiography of the frequently misunderstood and often maligned BDSM subculture, Fennell's insider perspective shows that while most people are a little bit kinky, the BDSM community teaches its members to emphasize and cherish their kinky differences. Drawing from interviews, survey data, and years of observations, Fennell showcases kinksters' lives and loves in a captivating, vibrant, and authoritative story. She addresses questions such as: How do kinksters define their identities? How do BDSM community members construct socially meaningful identities for themselves? Are BDSM identities always experienced as sexual? How are kinky relationships and consensual nonmonogamy, polyamory experienced in the community? Fennell provides an unprecedented exploration of kinksters' community group norms and rules, analyzing the demographics along with the behavioral and attitudinal norms in and out of BDSM dungeons. Fennell analyzes the multiple ways kinksters construct positive and negative social status, illustrating how the social world of kinksters is frequently quite different from outsiders' perceptions of it.
