The Swamp Fox John Oller,2016-10-25 A popular comprehensive biography of Francis Marion the Swamp Fox covering his famous engagements as well as a private side of him that has rarely been explored Marine Equipment Maintenance Support in the Army in the Field United States. Department of the Army,1972 **POLICE ANALYSIS AND PLANNING FOR CHEMICAL, BIOLOGICAL AND RADIOLOGICAL ATTACKS** John W. Ellis,1999-01-01 This text is oriented toward planning police operations in the public sector but will be usable by other public officials as well as some private sector police operations It addresses police threat assessment of vulnerability assessment to defense against and response to attacks by special weapons of mass destruction in a civilian setting These include chemical biological and radiological attacks It begins with a review of the policy and legal issues pertaining to special weapons and of the pertinent counter terrorist response considerations discussed in the author's other book POLICE ANALYSIS AND PLANNING FOR VEHICULAR

BOMBINGS It continues with assessment of the various types of special weapons of mass destruction and the terrorist's ability to make and use them a historical review of significant incidents for each of the major subcategories of weapons the limitations of police response operations in the United States and defense response to this form of attack It concludes with commentary on actions that may be needed if this threat continues to develop in the United States Hopefully this text will be of benefit to those officers and officials that have never had to confront this type of problem and will help build the skill and psychological preparation for battle that prevents the attack and enables effective response
