3 The American and British governments were able to choose where when and in what circumstances they would fight which greatly minimized the costs and risks of fighting The Soviet Union on the other hand had no such advantages It had only one war and it was the most terrible one in all of history 4 The Soviet Union had one other advantage as well which was that it alone among the victors emerged from the war with tested leadership [Cold War Era: Read Along or Enhanced eBook](#) Monika Davies,2024-02-13 Two nations Two ideologies One Cold War From 1947 to 1991 the United States and the Soviet Union engaged in an open rivalry known as the Cold War Dive deep into your exploration of history with this social studies book that piques students curiosity about history through dynamic primary sources Primary sources give students unique insights and personal connections to history Examples of primary sources include images of maps images newspaper articles political posters and many more This 32 page book includes text features that help students increase reading comprehension and their understanding of the subject Packed with interesting facts sidebars and essential vocabulary this book is perfect for reports or projects **The Cold War in American History and Politics** David Krugler,David Tucker,2018 **The Cold War** R.
