The Early Republic Complete Unit Guide Packet

Overview

The ratification of the Constitution and election of George Washington as America's first president finally unified the scattered states of the Revolution and created a new nation. However, after decades for the new Republic to develop, in the summer of 1789, farmers in Pennsylvania and a group known as the Whiskey Rebels that Washington himself went to put down.

A crisis in Washington's capital led to the development of America's first political parties. Federalists and Democratic-Republicans. Washington worked against the development along with American getting entangled in foreign affairs in the French Revolutionary Wars. His Vice President John Adams represented him as America's second president and also secured peace. Their relations was the XYZ Affair and resulting Quasi-War with France. The resulting unrest led Adams to sign a bill known as the Alien and Sedition Acts. These controversial laws made it harder for any immigrant to become a citizen. Adams's president is important for citizens who were concerned religious and civil liberties making these statements that were critical of the government.

Adams was defeated by Jefferson in the Election of 1800. Jefferson called it a "Revolution without blood" and the peaceful transfer of power to the Democratic-Republican Party. Jefferson wanted the expansion of the United States with the Louisiana Purchase and began a "Virginia Dynasty" that lasted the presidency from 1800 to 1808. After Jefferson's two terms as president, he was followed by two other Southern Democratic-Republicans from Virginia, James Madison and James Monroe. After Madison was elected to only one term in the May of 1817, Monroe led Americans to a peaceful transition in the "Era of Good Feelings".
