True Gentlemen John Hechinger, 2017-09-26 An exclusive look inside the power and politics of college fraternities in America as they struggle to survive despite growing waves of criticism and outrage College fraternity culture has never been more embattled Once a mainstay of campus life fraternities are now subject to withering criticism for reinforcing white male privilege and undermining the lasting social and economic value of a college education No fraternity embodies this problem more than Sigma Alpha Epsilon a national organization with more than 15 000 undergraduate brothers spread over 230 chapters nationwide While SAE enrollment is still strong it has been pilloried for what John Hechinger calls the unholy trinity of fraternity life racism deadly drinking and misogyny Hazing rituals have killed ten undergraduates in its chapters since 2005 and in 2015 a video of a racist chant breaking out among its Oklahoma University members went viral That same year SAE was singled out by a documentary on campus rape The Hunting Ground Yet despite these problems and others SAE remains a large institution with strong ties to Wall Street and significant political reach In True Gentlemen Hechinger embarks on a deep investigation of SAE and fraternity culture generally exposing the vast gulf between its founding ideals and the realities of its impact on colleges and the world at large He shows how national fraternities are reacting to a slowly dawning new reality and asks what the rest of us should do about it Should we ban them outright or will they only be driven underground Can an institution this broken be saved With rare access and skillful storytelling Hechinger draws a fascinating and necessary portrait of an institution in deep need of reform and makes a case for how it can happen

Jesus Come Revive America Dr. Debra J. Dean, 2023-02-01. *Jesus Come Revive America* answers the question: Where are all the Christians and moves beyond the apparent decline of morality in the country to a call of action for Christians to emerge with boldness, courage, and prayer for awakening. The author also emphasizes that the most important decision a person will make in their entire life is to follow Jesus. That one decision determines their future. That one decision will determine if they spend eternity in heaven or in hell. She considers questions such as: Are we living in a world of wickedness that is worse than Sodom and Gomorrah? Why has there been such a decline in common sense and morality over the past decade? Is there one sin worse than all other sins that will prohibit a person from going to heaven? This book is a user-friendly approach to reading the Bible, understanding historical events, and practically implementing the Bible's teachings in today's world. It incorporates archeology, anthropology, geography, history, philosophy, sociology, and theology to help Americans prepare for the next Great Awakening. The author wrote the book with much prayer for divine wisdom to emerge on the pages for each reader. Dr. Debra J. Dean, a faithful follower of Jesus, expands on the lives of regular people like Esther and Gideon along with the Apostle Paul and Jesus Christ to highlight how they were bold and courageous. In doing so, she reveals how we can apply the same zeal for God today as we prepare for revival and learn to live a holy lifestyle. The author is also a co-founder of His Kingdom Matters ministry, whose vision is that we will unite as a community of believers to support and equip one another while fulfilling the Great Commission (Matthew 28:16-20) and the Greatest Commandment (Matthew 22:36-40). In doing so, a spiritual revival will spread like wildfire across the globe like never before seen as souls are saved and lives are touched by Kingdom members in practical and miraculous ways.
