Save your money from investing in multi-level marketing schemes and business ventures where you have to invest in products to sell or pay for memberships. That's unnecessary guesswork. The cost of this book is a whole lot cheaper with greater and faster results. This book is a 131-page, no-nonsense guide and resource to helping you to make the money necessary when times are rough. It is different from a money opportunity magazine because it doesn't have the advertisements trying to sell you things that you don't have the money for in the first place. This book has REAL companies that will pay you to work at home, and we list companies that will send you free stuff just for the asking. If you have to borrow the money to get this book, it will be worth your while to do so. There is something for everyone to get started with, whether you are unemployed, employed, or looking to make some extra income on the side. If you are serious, this is one to have for making easy money when you really need it. **Personnel Testing** Robert M.
