Court of Appeal (3rd Appellate District). Records and Briefs* California (State)., **The Autocar** ,1903 **Socrates in Cameroon** Nalova Lyonga,2010 Bernard Nsokika Fonlon 1924 1986 rose from humble origins to become one of Cameroon's most famous sons He was a scholar a poet a politician a philosopher a man of action and a man of courage He was never too busy to see someone who was troubled never too tired to take up the case of the oppressed or the downtrodden He was a man who

could communicate with style In half a dozen world languages but who could also use Pidgin English if it meant putting his listeners at ease He was a man who moved in opulent circles but who collected for himself not money but the hearts of those who got to know him it is easy to use superlatives of someone like Bernard Fonlon easy to make him sound like a sage or a saint it is less easy to describe the humour And The courtesy And The gentleness that irradiated all that he said and did This book describes briefly the life and times of a man whose story incorporates the history of a young nation and whose autobiography The Pathfinder has all the excitement of an adventure novel We could use a lot of words and still not get To The heart of the matter because ordinary words are for ordinary men and Bernard Fonlon was unique To those who knew him no introduction is necessary to those who did not know him no short introduction is enough Bernard Fonlon did not leave a worldly legacy to his family and friends and country He left much more He left ideas that can never be buried and ideals that will challenge new generations
