Forbidden Love in St. Petersburg Mishka Ben-David,2016-05-17 Convincing tradecraft coupled with a plausible look at the inner life of a

spy with a license to kill will remind readers of the best of John le Carr Publishers Weekly starred review Yogev Ben Ari has been sent to St Petersburg by the Mossad ostensibly to network and set up business connections His life is solitary ordered and lonely until he meets Anna Neither is quite what they seem to be but while her identity may be mysterious there is no doubt about the love they feel for each other But the impassioned affair is not part of the Mossad plan The agency must hatch a dark scheme to drive the lovers apart Soon what began as a quiet solitary mission becomes a perilous exercise in survival and Ben Ari has no time to discover the truth about Anna s identity before his employers act The novel has a solid sense of intrigue and suspense and its depiction of the world of international espionage feels accurate as it should since the author is a former Mossad agent The characterizations are precise too these aren t stick figures in a spy story but real people in a real environment A nice blend of classic spy novel conventions with a thoroughly contemporary setting Booklist starred review

Sitting in Santa's Lap S.E. Law,S.C. Adams, The camera caught me wriggling in Santa s lap and soon I was pregnant with the jolly gentleman s baby Cleo I agreed to help an old family friend Brody s a professional photographer who said his usual elf bailed at the last minute So I offered to take her place figuring it wouldn t be a big deal to take pictures of kids at the mall But never underestimate Santa because beneath that big red suit and white beard is a man with washboard abs devilish blue eyes and a smile that makes my thighs clench as my insides go hot Even more Brody s got a HUGE surprise that hangs all the way down to his knee It swings and dangles with a Christmas ornament that lights up in its own way at the end Soon I was sitting in Santa s lap but we weren t just smiling for the crowd Instead the camera caught us in some naughty poses that were NEVER supposed to be captured on film The best part That no one could tell while I squirmed and panted breathlessly with my skirt flipped up in back At least I don t think so But now the jolly gentleman s left me with a gift because after Christmas break ends I learn that the stork s coming with a special surprise for Brody and me This is a follow up to Three Weeks of Hedonism where we meet the sassy girl who was bullied for allegedly letting Santa take her while she posed in his lap Fair warning never bring your kids to Christmas at the mall because if the elf s wearing a short skirt while gasping with a frozen smile then it could really be happening As always high heat no cheating and no cliffhangers for my readers HEA guaranteed
