 Vernicia Humairo,2023-02-10 This is an open access book The year 2022 is the year when people begin to rise from the
 impact of the Covid 19 pandemic that occurred for approximately 2 years before this During the pandemic there was a lot of
 weakening of activities in various sectors The weakening led to the community's economy The sports sector is also feeling
 the impact Where all sports activities encounter obstacles such as sports competition activities sports training sports
 education and sports health services to the community These obstacles have an impact on the economic decline of sports
 players However in 2022 all sporting activities are slowly restarting but still with due observance of health and safety
 protocols Therefore it is necessary to have discussions and access references to provide knowledge in starting activities in
 the sports sector after the Covid 19 Pandemic Because indeed sports actors need to get mental support knowledge and
 direction to start reviving sports activities in order to accelerate economic recovery The Faculty of Sports Science State
 University of Malang welcomes you to join the 6th International Conference on Sports Sciences and Health 6th ICSSH 2022
 This conference focuses on how aspects of sport and health deal with issues in management technology and innovation of
 sports and education as well as in scientific issues Collaboration and knowledge sharing will be a great opportunity to

overcome potential challenges that grow dynamically following the development of sports after the Covid 19 Pandemic
