must be the truth Arthur Conan Doyle On the banks of the river Thames a massive new building is being completed A stunning creation of glass and concrete that will be a new landmark on London s skyline And people are dying because of it Dozens of mysterious unexplained accidents have claimed the lives of workmen during the construction and journalist Jessica Anderson is convinced that the owner of the building a billionaire Russian businessman knows more about the accidents than he is revealing Enlisting the help of a former colleague Jess tries to investigate the shadowy industrialist but finds that far harder than she imagined Protected by a private security force and cocooned by his entourage this powerful man proves to be as elusive as anyone she has ever known He values his privacy and seems willing to go to any ends to protect it But what is he hiding As she delves into his background she discovers that one of his ancestors lived in London during the 1930 s on the same site where the Crystal Tower was constructed and death and destruction surrounded that ancestor too Is there a link between these two men Jess is convinced there is and when a series of horrific attacks and murders take place perpetrated against men who want to stop the Russians next building project she finds herself plunged into a maelstrom of fear and events that threaten not just her life but her very sanity Something from the darkest reaches of myth and superstition has been unleashed upon a modern world and it seems no one can stop it

Review ,1924 **The Navigator** ,1963 **The Black Magic Series** Dennis Wheatley,2014-12-26 Should any of my readers incline to a serious study of the subject and thus come into contact with a man or a woman of Power I feel that it is only right to urge them most strongly to refrain from being drawn into the practise of the Secret Art in any way My own observations have led me to an absolute conviction that to do so would bring them into dangers of a very real and concrete nature Dennis Wheatley The entire collection of Dennis Wheatley s Black Magic series in one digital volume THE DEVIL RIDES OUT STRANGE CONFLICT THE HAUNTING OF TOBY JUGG TO THE DEVIL A DAUGHTER THE KA OF GIFFORD HILLARY THE SATANIST THEY USED DARK FORCES UNHOLY CRUSADE THE WHITE WITCH OF THE SOUTH SEAS GATEWAY TO HELL THE IRISH WITCH Journal of the United States Artillery ,1946 **Hunter Collection** Mercedes Lackey,2021-04-20 Discover the dangerous futuristic world of the 1 New York Times bestselling Hunter series from legendary fantasy author Mercedes Lackey They came after the Diseray Monsters Long ago the barriers between our world and the Otherworld were ripped open and it s taken centuries to bring back civilization in the wake of the catastrophe Now the luckiest Cits live in enclosed communities behind walls that keep them safe from the hideous creatures fighting to break through Others are not so lucky In Hunter Joyeaux Charmand believes that every Cit without magic deserves her protection from dangerous Othersiders Then she is called to Apex City where the best Hunters are kept to protect the most important people Joy soon realizes that the city s powerful leaders care more about luring Cits into a false sense of security than protecting them More and more monsters are getting through the barriers and the close calls are becoming too frequent to ignore And when an act of sabotage against Joy takes an unbearable toll she uncovers a terrifying conspiracy in the city

There is something much worse than the usual monsters infiltrating Apex And it may be too late to stop them In Elite Joy knows she ll be facing more dangerous Othersiders than ever before as a new member of the Elite Hunter unit But if anyone is up to the challenge it s her Then the rules change Monsters unlike any Joy s ever seen or even heard of are breaking through Apex City s barriers and the Hunters are scrambling to find new ways to fight them all the while hiding the true danger Apex faces from the Cits who are ignorant of the severity of the Othersiders attacks The leaders of Apex must come together to protect the city but tensions have never been higher between the Hunters and the powerful PsiCorps with each group competing to be the primary protector of the city The conflict escalates even further when Joy starts discovering bodies of Psimons while patrolling the city sewers on a special assignment from her uncle who commands the Hunters A storm is approaching Apex City and unless Joy and her fellow Hunters put up the fight of their lives it might just sweep them all away In Apex the riveting conclusion to the Hunter trilogy Joy must risk everything to end a brutal war before she loses all she s ever loved The corrupt and powerful PsiCorps is determined to usurp the Hunters as chief defenders of Apex City and Joy is squarely in their crosshairs Unused to playing political games she has few people she can truly trust not even Josh her first friend in Apex City who broke up with her when it became too dangerous for a Psimon to be dating a Hunter Then Josh comes to Joy for help He fears that Abigail Drift the head of PsiCorps will use him in her experiments designed to empower PsiCorps and render Hunters superfluous a scheme that s already killed dozens of Psimons Joy manages to smuggle Josh to safety but he can t evade Drift forever As Joy faces ever more powerful Othersiders she is helped by the most surprising ally imaginable the same Folk Mage she once met in battle But can Joy trust the most cunning and treacherous of all Othersiders

Field of Fire Jack Swaab,2007-05-24 Jack Swaab joined the veteran 51st Highland Infantry Division on 3 January 1943 He kept a series of diaries over the following two and a half years recording the combination of boredom and fear that characterises active service In mid March 1943 he saw battle for the first time as Montgomery attacked the Mareth Line In July that year Swaab took part in the Allied landings on Sicily writing of the scorching humidity of the Sicilian summer In May 1944 he records the restless time as his regiment prepared for the invasion of Normandy In September 1944 Swaab s role changed dramatically as he moved from commanding a troop to being a forward observation officer His new position meant that he was working closely with the infantry in the front line Swaab s first five months as a forward observation officer came to an abrupt end on 13 February when he was wounded in the leg by shellfire He was again selected for FOO duty during Operation Varsity the Rhine crossing in March 1945 and received the Military Cross *After the Party* Cressida Connolly,2019-05-07 A captivating novel of manners that tells the story of a dark and disturbing period of British history by a master storyteller It is the summer of 1938 and Phyllis Forrester has returned to England after years abroad Moving into her sister s grand country house she soon finds herself entangled in a new world of idealistic beliefs and seemingly innocent friendships Fevered talk of another war infiltrates their small privileged circle giving way to a thrilling solution the

appointment of a great and charismatic new leader who will restore England to its former glory At a party hosted by her new friends Phyllis lets down her guard for a single moment with devastating consequences Years later Phyllis alone and embittered recounts the dramatic events which led to her imprisonment and changed the course of her life forever Powerful poignant and exquisitely observed After the Party is an illuminating portrait of a dark period of British history which has yet to be fully acknowledged

The Making of Billy Bishop Brereton Greenhous, 2002-05-01 It s a war story that is told every time the career of Billy Bishop is discussed On June 2 1917 the young pilot single handedly took out a German airfield in an early morning raid at the height of the Great War For this he was awarded the Victoria Cross and a place in Canadian history And yet the attack never happened In this explosive new biography Brereton Greehous exposes the myth of Billy Bishop While his bravery never comes into question Bishop was as courageous as any of the men who risked their lives in those early warplanes his credibility as a storyteller does From exaggerations and half truths to flat out lies stories of Bishop s legendary exploits contain as much fiction as they do fact Greenhous reveals many startling truths he presents evidence that some of the medals Bishop wore late in his career were unearned uncovers a number of examples of Bishop embellishing or inventing combat stories and most significantly shows that the only account of the ace s raid on the German airfield came from Bishop himself Even official German records of casualties fail to corroborate the Canadian s claims The Making of Billy Bishop is a book certain to stir up controversy Twenty years ago a documentary film questioning Bishop s credentials as a hero was considered so blasphemous that a senate investigation was launched in an attempt to restore the pilot s name Now Greenhous s research vindicates the claims of the filmmakers and re ignites an argument once thought settled
