My Second-Favorite Country Sivan Zakai, 2022-06-14 Reveals how young American Jewish children come to develop their views about Israel Israel has long occupied a prominent place in the lives and imaginations of American Jews serving as both a symbolic touchstone and a source of intercommunal conflict In My Second Favorite Country Sivan Zakai offers the first longitudinal study of how American Jewish children come to think and feel about Israel tracking their evolving conceptions from kindergarten to fifth grade This work sheds light on the perception of Israel in the minds of Jewish children in the US and provides a rich case study of how children more generally develop ideas and beliefs about self community nation and world In contrast to popular views of America's youth as naive or uninterested this book illuminates

both the complexity of their thinking and their desire to be included in conversations about important civic and political matters Zakai draws from compelling empirical data to prove that children spend considerable effort contemplating the very concepts that adults often assume they are not ready to discuss Indeed the book argues that over the course of their elementary school education children develop and express deep interest in complex issues such as the intricacies of identity and belonging conflicting ways of framing the past and the demands of civic responsibility Ultimately Zakai argues that in order to take children's ideas seriously and better prepare them for a world full of disagreement a substantive shift in educational practices is necessary **The College Board Review**, 2003 *Craft Moves* Stacey Shubitz, 2023-10-10 How do you choose mentor texts for your students How do you mine them for the craft lessons you want your students to learn In *Craft Moves Lesson Sets for Teaching Writing with Mentor Texts* Stacey Shubitz co-founder of the Two Writing Teachers website uses twenty recently published picture books to create more than 180 lessons to teach various craft moves that will help your students become better writers Each of the 184 lessons in the book includes a publisher's summary a rationale or explanation of the craft move demonstrated in the book and a procedure that takes teachers and students back into the mentor text to deepen their understanding of the selected craft move A step by step guide demonstrates how to analyze a picture book for multiple craft moves Shubitz introduces picture books as teaching tools and offers ways to integrate them into your curriculum and classroom discussions She then shares different routines and classroom procedures designed to help students focus on their writing during the writer's workshop as well as focusing how teachers can prepare for small group instruction Using picture books as mentor texts will help your students not only read as writers and write with joy but also become writers who can effectively communicate meaning structure their writing write with detail and give their writing their own unique voice **College Board Review**, 2002 *Stories That Stick* Kindra Hall, 2019-09-24 What stories do you need to tell and how do you tell them *Stories That Stick* provides a clear framework of ideals and a concise set of actions for you to take complete control of your own story utilizing the principles behind the world's most effective business storytelling strategies Professional storyteller and nationally known speaker Kindra Hall reveals the four unique stories you can use to differentiate captivate and elevate The Value Story convince customers they need what you provide The Founder Story persuade investors and customers your organization is worth the investment The Purpose Story align and inspire your employees and internal customers The Customer Story allow those who use your product or service to share their authentic experiences with others Telling these stories well is a simple accessible skill anyone can develop With case studies company profiles and anecdotes backed with original research Hall presents storytelling as the underutilized talent that separates the good from the best in business *Stories That Stick* offers specific actionable steps readers can take to find craft and leverage the stories they already have and simply aren't telling Every person every organization has at least four stories at their disposal Will you tell yours **The World's Chronicle** Eleanor Atkinson, Francis B.
