Clifford Lane

Time S Potential Power Parables 137:

Main Currents in Modern Thought ,1971 **Cultures of Financialization** M. Haiven,2014-10-10 Drawing on a wide range of case studies Cultures of Financialization argues that in our age of crisis the global economy is more invested than ever in culture and the imagination We must take the idea of fictitious capital seriously as a way to understand the power of finance and what might be done to stop it Energy Research Abstracts ,1984 *Nuclear Plant Security* United States. Congress. Senate. Committee on Environment and Public Works,2004 **Nuclear Science Abstracts** ,1974 *I, Circe | Theological Volume 2* Eureka Circe,2025 Modern Economic Regulation Christopher Decker,2015 This book synthesises the vast literature on economic regulation into a coherent overview of regulatory theory and practice **Dreadful Desires** Charlie Yi Zhang,2022-02-07 In Dreadful Desires Charlie Yi Zhang examines how the Chinese state deploys affective notions of love to regulate the population and secure China s place in the global economy Zhang shows how the state frames love as a set of desires that encompass heteronormative intimacy familial and communal attachment upward mobility and private property ownership These desires as circulated in performance in the nationalistic ceremony same sex romantic fan fiction the wildly popular reality television dating show If You Are the One and the cult of patriarchal personality around Xi Jinping are explicitly based in oppressive systems of gender class and sexuality Zhang contends that such desires connect love to economic survival and gender normativity in ways that underwrite Chinese neoliberalism at the expense of individual flourishing By outlining how state framed forms of love create desires that cannot be fulfilled Zhang places China at the forefront of using affective attachments to nation leader and family in the global shifts toward exploitation and authoritarianism **Book Review Digest** ,1928 **The Theory and Practice of International Relations** David S. McLellan,1960 **Cumulated Index Medicus** ,1989 *A Dictionary of Christ and the Gospels* James Hastings,2004-10 The purpose of this dictionary is to give an account of everything that relates to Christ His Person Life Work and Teaching It is in a sense complementary to the Dictionary of the Bible in which of course Christ has a great place But a dictionary of the Bible being occupied mainly with things biographical historical geographical or antiquarian does not give attention to the things of Christ sufficient for the needs of the preacher to whom Christ is everything This is first of all a preacher s dictionary The authors of the articles have been carefully chosen from among those scholars who are or have been themselves preachers And even when the articles have the same titles as articles in the Dictionary of the Bible they are written by new men and from a new standpoint It is thus a work which is quite distinct from and altogether independent of the Dictionary of the Bible It is called a Dictionary of Christ and the Gospels because it includes everything that the Gospels contain whether directly related to Christ or not Its range however is far greater than that of the Gospels It seeks to cover all that relates to Christ throughout the Bible and in the life and literature of the world There will be articles on the Patristic estimate of Jesus the Medieval estimate the Reformation and Modern estimates There will be articles on Christ in the Jewish writings and in

the Muslim literature Much attention has been given to modern thought whether Christian or anti Christian Every aspect of modern life in so far as it touches or is touched by Christ is described under its proper title James Hastings 1852 1922 was a distinguished scholar and pastor He was founder and editor of the Expository Times and is also well known for editing the five volume Dictionary of the Bible as well as the Encyclopaedia of Religion and Ethics the Dictionary of Christ and the Gospels and the Dictionary of the Apostolic Church *A Dictionary of Christ and the Gospels: Aaron-Knowledge* James Hastings, John Alexander Selbie, John Chisholm Lambert, 1906 *Your Kingdom Come* Sulaiman Z. Jakonda, 2001 *I, Circe | Theological Volume 1* Eureka Circe, 2025 The Montreal Forties Brian Trehearne, 1999-01-01 During WWII a number of Canadian poets converged on Montreal and rewrote the story of modern English Canadian poetry The book discusses the four major English Canadian poets to emerge in the 40s PK Page AM Klein Irving Layton and Louis Dudek *Engineering Journal*, 1925 Vol 7 no 7 July 1924 contains papers prepared by Canadian engineers for the first World power conference July 1924 *The Journal of the Engineering Institute of Canada* Engineering Institute of Canada, 1925 Introducing Christian Education Michael J. Anthony, 2001-09 Learn how to successfully integrate biblical studies and theology with education sociology and psychology in this introductory textbook on Christian education **Engineering Index; Electrical/electronics Section**, 1967
