Tiny House Design And Construction Guide:

Tiny House Design & Construction Guide Dan Louche, 2014 I began building tiny houses back in 2009 when I built one for my mom The house she was living in was starting to fall apart and become unlivable so I knew I had to find her alternative housing After researching various options I discovered the tiny house movement and realized that it was the perfect solution for her A tiny house could be constructed to very high standards and still be affordable plus it can be easily moved author
