

"He [God] shows the Son who has to live himself" (John 8:28). For present day Christians, particularly those in the new generation Protestant/Evangelical churches, tithing is a very important subject; one that fellow Christians will frequently use to judge whether you are a true born again Christian or not. The purpose of this book is to educate and hopefully liberate Christians who are finding it difficult to get away from the bondage of tithing. Although this book is directed primarily at Christians whose lives are often affected by many of the issues surrounding tithing, many of the issues covered in this book will also be useful in other areas of life, where financial matters are involved. The lack of understanding about tithing, does not only create confusion and guilt, it can also lead to the financial disaster of many Christians.

Oliver John who is a prolific writer, a scholar and a Christian, lives in the United Kingdom. He was drawn to the subject of tithing in the 1980's during his secondary and university education, when he realised that the same deception and manipulation that is endemic in many religions had also gradually crept into the Church. Since that realisation, Oliver has been gathering evidence for his book on tithing. His conviction to write about tithing was further heightened after seeing many confused Christians who continue to feel guilty about tithing.

Tithing The Financial Disaster Of Christians:

Tithing - the Financial Disaster of Christians? Oliver John, 2017-11-16 He She whom the Son sets free is free indeed John 8 36 For present day Christians particularly those in the new generation Pentecostal evangelical churches tithing is a very important subject one that fellow Christians will frequently use to judge whether you are a true born again Christian or not The purpose of this book is to educate and hopefully liberate Christians who are finding it difficult to get away from the bondage of tithing Although this book is directed primarily at Christians whose lives are often affected by many of the issues surrounding tithing many of the issues covered in this book will also be useful in other areas of life where financial matters are involved The lack of understanding about tithing does not only create confusion and guilt it can also lead to the financial disaster of many Christians *Kleptomaniac: Who's Really Robbing God Anyway?* Frank Chase Jr, 2016-06-14

KLEPTOMANIAC Who s Really Robbing God Anyway is a trek through the pages of the Bible to find the untwisted truth about the centuries old teachings on tithes and offerings Every page of this book has information that will make you become an analyst in getting to the bottom line of what tithing is in the Old and New Testament It takes you on a journey to first define the word tithe and then breaks down the differences between giving and tithing as the Bible instructs The author attempts to expose what most people believe as fact to bring them to what the Bible actually teaches when it comes to true giving Are the arguments put forth today about tithing fact or fiction This book tackles tough questions like did God ever require a tithe of money Was the contents of the tithe always money in the Bible Who is really robbing God today Did God change the tithe at some point in biblical history Are first fruits money Is the tithe food money or both Is the church the storehouse Did Jesus Paul and the Disciples tithe Did the early church honor a money tithe system Are Christians really cursed for not tithing ten percent of their income These questions will be answered based on scholarship the land the language and the literature of the original Biblical people Not only will questions be answered for those confused about whether or not they are required to pay ten percent of their income to any religious institution they will learn what the Bible really teaches about money and stewardship The author meticulously examines the word tithe in both the Hebrew and Greek language To understand every Bible verse that contains the word tithe the author gives context and definitive definitions for clarity of the text This book also explains the concept of giving from a New Testament perspective without the mandate of ten percent and explains why the Apostle Paul never mentioned tithing to any of the New Testament congregations From Genesis to Revelation this book is about how to properly interpret biblical terms to arrive at the proper interpretation of a biblical text that refers to money or tithing Because there are pros and cons about tithing the author examines both tithing and non tithing theological camps and presents analysis and conclusions so that the reader can make an informed choice as to how they will give in the future Since money is vital in every part of society and the church this book spends a considerable amount of time detailing how money was used in the Bible to help readers know the difference between tithes and money The tithing phenomenon has been

around for centuries and this book is an expose into the how the current doctrine came into existence and who the culprits were who played a major role in what churches teach today Whether you agree or disagree with tithing as a viable doctrine KLEPTOMANIAC is a back to the past look at Israel s history and how they practiced tithing in a theocracy This book also questions how tithing practices of today affect people financially and how those practices are unlike tithing practices of yesterday Not only does this book challenge the accepted definitions of the tithe it also questions the sustainability of the current practices especially when economic times get tough for people who may not be able to give much From the very beginning to the end of the book everything is supported by Scripture and research You will know from the onset why the author Dr Frank Chase Jr wrote the book and learn about his personal story of what happened as a result of embracing New Covenant giving principles from the New Testament Not only does the book cover the Old Testament tithe it also unveils what the New Testament teaches about giving by analyzing some of the epistles of Apostle Paul concerning his views and instructions on charitable giving

Timothy K Williams,2003-10 **Herald of Gospel Liberty** Elias Smith,1915 Saints: The Story of the Church of Jesus Christ in the Latter Days, Volume 3 The Church of Jesus Christ of Latter-day Saints,2022-04-22 After decades of opposition the Latter day Saints have dedicated the Salt Lake Temple a mighty symbol of their industry and faith Now with a new century on the horizon the Saints are optimistic about the future and ready to spread the Savior s message of peace across the globe But the world is rapidly changing Advances in transportation and communication allow people and information to cross vast distances in record time And young people are venturing far from home as never before seeking educational and professional opportunities their parents and grandparents could hardly imagine As the Church begins to take root in Europe South America and Asia the Saints rejoice in the rise of the global Church Yet many are wary of the challenges the changing world poses to the cause of Zion While the promise of the new century is bright it comes with dire economic hardships brutal global wars and other unprecedented trials Boldly Nobly and Independent is the third book in Saints a new four volume narrative history of The Church of Jesus Christ of Latter day Saints Fast paced meticulously researched and written under the direction of the First Presidency Saints recounts true stories of Latter day Saints across the globe and answers the Lord s call to write a history for the good of the Church and for the rising generations Doctrine and Covenants 69 8 *A.W. Pink's Studies in the Scriptures - 1926-27, Volume 3 of 17* Arthur W Pink,2001-09 *A. W. Pink's Studies in the Scriptures, 1926-27, Vol. 03 of 17* Arthur W. Pink,2001-09 The Ninety-Sixth Thesis Brian A. Bompiani,2020-09-29 Five hundred years ago Martin Luther posted his ninety five theses or grievances to the door of the All Saints Church of Wittenberg and condemned the Catholic Church s teaching of indulgences as nothing but a scheme to raise money for the church It is a supreme irony of history that five hundred years later it is now a subset of the Protestant Church that is defrauding the faithful The Catholic Church s teaching of indulgences and the evangelical movement s teaching of tithing to be blessed are

substantially the same and lead to the same result In both cases the church walks away with a bag of money and the Christian walks away with a bag full of empty promises This book explains why I am losing faith in the church but finding faith in Christ The reason for this is that I began finding answers to some of the most elusive questions about God Something is preventing God from doing all the good that he would otherwise want to do But here is the problem How can God have limitations If he has limitations then he must not be divine However there is one thing that could prevent a good all powerful God from doing all the good that he would otherwise want to do that would not detract at all from his omnipotence What this is and how it holds the key to unlocking some of the most perplexing mysteries of God is explained in this book

The Sin We Treat as a Virtue B. Ward Powers,2013-04-17 This book is for all those of us who love the Lord Jesus because this whole topic is an issue that deeply concerns every one of us and it really matters Is there indeed a sin we treat as a virtue Could this possibly be true of us of me Yes there is a sin we are treating as a virtue This sin is greed sheer plain greed Coveting The comfortable respectable sin But the extremely dangerous and damaging sin It is condemned by the Tenth Commandment It is the sin Christ spoke against more often and more vehemently than any other he warned against it in the strongest possible terms Beware Take care Watch out It chokes the Word of God in your life he said It hinders a person entering the Kingdom of God and deprives them of eternal life That is how serious it is Paul said that greed is a form of idolatry and can destroy a person He found this sin sneaky tricky and insidious The risk to us from this sin is all the worse because it is so often not recognized as sin It is so all pervasive that we do not actually see its deceitful danger But statistics show it is insidiously at work in the church seriously affecting its work and witness in the world It is a trap and a snare that can so easily catch us quite unawares Breaking free of it is in fact one of the most difficult issues we face in our Christian lives Can anything be done about this Yes It is crucial that we become aware

of what the Bible says about it and then think through how to live our lives in accordance with biblical teaching This book will point to all the relevant Scriptures Can you afford not to heed what they say They just might save you from spiritual disaster Don't treat this lightly Jesus didn't Paul didn't **The Day God Saw Me as Black** Danyelle Thomas, 2024-10-29 The Day God Saw Me as Black is a genre defying cultural critique of white supremacy in the Black Pentecostal religious experience through the lenses of race gender sexual expression and class analyses A narrative that weaves between critique and meditation decolonization and reconciliation the theoretical and the deeply personal The Day God Saw Me as Black is an imagining of what could be if we stopped denying ourselves and each other full liberation **The Living Church**, 1943

Woman's Missionary Friend, 1915 **The Christian Century**, 1925 The Christian Advocate, 1929 *The Walther League Messenger*, 1929 Christian Contours Douglas S. Huffman, 2012-01-12 What does it mean to think and live Christianly in a world of competing worldviews Christian Contours answers this question by inviting readers to consider the understanding of reality proposed by the Bible Though it is easy to divide life into separate compartments religious and secular theological and practical faith invites us to view all of life in the light of that Biblical understanding Presenting a clear compelling case for unity in essential Christian tenets the authors of Christian Contours guide the reader through developing internalizing and articulating a biblical worldview This robust worldview enables the Christian to be a critically thinking participant in culture and to be a faithful disciple of Christ with both heart and mind Northwestern Christian Advocate, 1903
