Evangelicals have been scandalized by their association with Donald Trump their megachurches summarily dismissed as religious Walmarts In The Subversive Evangelical Peter Schuurman shows how a growing group of reflexive evangelicals use irony to critique their own tradition and distinguish themselves from the stereotype of right wing evangelicalism Entering the Meeting House an Ontario based Anabaptist megachurch as a participant observer Schuurman discovers that the marketing is clever and the venue a rented movie theatre is attractive to the more than five thousand weekly attendees But the heart of the church is its charismatic leader Bruxy Cavey whose anti religious teaching and ironic tattoos offer a fresh image for evangelicals This charisma Schuurman argues is not just the power of one individual it is a dramatic production in which

Cavey his staff and attendees cooperate cultivating an identity as an irreligious megachurch and providing followers with a more culturally acceptable way to practise their faith in a secular age Going behind the scenes to small group meetings church dance parties and the homes of attendees to investigate what motivates these reflexive evangelicals Schuurman reveals a playful and provocative counterculture that distances itself from prevailing stereotypes while still embracing a conservative Christian faith Metadata Catalog of Spatial Data for the Upper Mississippi River System Long Term Resource Monitoring Program Frank D'Erchia,1993 *Federal Supply Catalog* United States.
