Naugle is widely regarded as a leading thinker in the area of Christian worldview formation. The Hillsong Movement Examined Tanya Riches, Tom Wagner, 2017-11-02. This interdisciplinary volume brings together leading writers and thinkers to provide a critique of a broad range of topics related to Hillsong Church. Hillsong is one of the most influential, visible, and in some circles, controversial religious organizations' movements of the past thirty years. Although it has received significant attention from both the academy and the popular press, the vast majority of the scholarship lacks the scope and nuance necessary to understand the complexity of the movement or its implications for the social, cultural, political, spiritual, and religious milieus it inhabits. This volume begins to redress this by filling important gaps in knowledge, as well as introducing different audiences to new perspectives. In doing so, it enriches our understanding of one of the most influential Christian

organizations of the late 20th and early 21st centuries **Journey Back from Ixtlan** Bijan Ilyae, 2012 Bijan was born in 1961 in Tehran Iran Although he was a brilliant student in his early and middle school years he lost his interest in academic studies to the degree that he quit college twice and returned to the spiritualism and mysticism instead By the rise of the Islamic regime in 1979 in Iran his life began to drastically change where it took him to some of the darkest and most unimaginable places and situations he could have ever thought of Was he eventually able to overcome his challenges He paid a heavy price to find the answer to this question Bijan currently lives in Toronto Canada He is the founder and leader of the Generation 8 an organization reaching out to Iranians all over the world through modern art music and media God Gave Rock and Roll to You Leah Payne, 2024 By combining musical styles young people loved with the wholesomeness their parents wanted Contemporary Christian Music CCM became a multimillion dollar industry In this book author Leah Payne traces the history of contemporary Christian music in America and in the process demonstrates how the industry its artists and its fans shaped and continue to shape conservative mostly white Protestant evangelicalism **From Death to Blessing** Laurie Agius, 2012-11-27 This book is my real life story talking about my battle with depression suicide and homosexuality for twenty four years and as well as alcoholism for fourteen years and my victory over all these problems through making Jesus Christ Lord and Saviour of my life who has given me so much peace and joy than I can ever imagine This book is also about forgiveness faith in God through Jesus and not giving up on the dreams and visions God has placed in my heart This book addresses many problems you may be struggling with depression suicide homosexuality or any addiction Only a relationship with Jesus Christ will give you the freedom and peace I believe everyone desires This book also outlines that the key to true happiness is forgiveness and how faith in Jesus can help you accomplish anything you are believing for or want to achieve in your life **Billboard** , 2006-11-04 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends
