Levertov in Company Donna Krolik Hollenberg has assembled ten essays by contemporary poets who were influenced by Levertov as former students and or colleagues and another ten by literary critics Hollenberg selected contributors on the basis of their spiritual intellectual and political connections with Levertov at different stages of her life in the United States and all are distinguished in their own right The first five poets became acquainted with Levertov in the 1960s and 1970s when she and they protested against the war in Vietnam The next five poets who were close to Levertov in the 1980s and 1990s while she was at Stanford respond to aspects of Levertov s religious quest and her love and concern for the natural world To assess Levertov s influence on contemporary poetry Hollenberg has organized the essays into pairs First a contributor offers a personal essay about his or her relationship with Levertov which is followed by a companion essay about the contributor s poetry in relation to Levertov s What emerges is a dialogue between autobiographical testimony and critical analysis This combination of personal witness and objective evaluation contributes to a greater understanding of the contemporary poetry scene and the influence of Levertov s distinguished and affecting legacy Contributors Rae Armantrout Eavan Boland Martha Collins Alison Hawthorne Deming Susan Eisenberg Reginald Gibbons Donna Krolik Hollenberg Romana Huk Paul Lacey Aldon Lynn Nielsen Kathleen Norris Mark Pawlak Peggy Rosenthal Ben S enz Peter Dale Scott David Shaddock Michael Thurston Emily Warn Bruce Weigl Al Young Milton's Late Poems Lee Morrissey, 2022-08-25 Upending conventional scholarship on Milton and modernity Lee Morrissey recasts Paradise Lost Paradise Regained and Samson Agonistes as narrating three alternative responses to a world in upheaval adjustment avoidance and antagonism Through incisive engagement with narrative form and genre Morrissey shows how each work considered specifically as a fiction grapples with the vicissitudes of a modern world characterised more by paradoxes ambiguities subversions and shifting temporalities than by any rigid historical periodization The interpretations made possible by this book are as invaluable as they are counterintuitive opening new definitions and stimulating avenues of research for Milton students and specialists as well as for those working in the broader field of early modern studies Morrissey invites us to rethink where Milton stands in relation to the greatest products of modernity and in particular to that most modern of genres the novel

The Complete Poems of John Donne Robin Robbins, 2014-06-06 The Poems of John Donne is one volume paperback edition of the poems of John Donne 1572 1631 based on a comprehensive re evaluation of his work from composition to circulation and reception Donne s output is tremendously varied in style and form and demonstrates his ability to exercise his rhetorical capabilities according to context and occasion This edition aims to present the text of all his known poems from the epigrams songs and satires written for fellow young men about town to the more mature verse epistles and memorial elegies written for his patrons The Longman Annotated English Poets series traditionally aims to present poems in chronological order in this edition however the principle has been observed only within generic sections This organisation reproduces the manner in which Donne s original readers first encountered the poems in the various manuscripts of his elegies and satires

that circulated in Donne's lifetime Volume One contains the Epigrams Verse Letters to Friends Love Lyrics Love Elegies and Satires Volume Two contains the religious poems Wedding Celebrations Verse Epistles to Patronesses Commemorations and the Anniversaries The lyrics have been arranged alphabetically for ease of reference and because in all but a few cases precise date of composition is impossible to determine Each poem has extensive editorial commentary designed to put the twenty first century reader in possession of all that is necessary fully to appreciate Donne's work A substantial headnote sets each poem in its historical and literary context while the annotations give detailed guidance on the wealth of classical and religious allusions and give full representation to the literary historical and philosophical culture out of which the poems grew In keeping with the traditions of the series Donne's own text has been modernised in punctuation and spelling except where to do so would alter or disrupt a rhyme

Daughters of the Faith SET #2 (four books) Wendy Lawton,2009-01-01 This package includes four books of the Daughters of Faith Series Set 2 Freedom s Pen Courage to Run The Hallelujah Lass and Ransom s Mark There are a few elements of the Daughters of Faith Series that separate it from many other children s book biographies First these books are about little girls They are not biographies of the entire life of these characters these are stories about girls who made a difference while they were still young This enables the young girl readers to relate to the characters more than they would if these characters had to wait until they were thirty or forty before doing anything significant Second these stories are faith journeys Lawton gets inside the minds of these girls in order to portray their struggles to make God an active part of their lives In Freedom s Pen Phillis Wheatley was a little girl of seven or eight years old when she was captured in Gambia and brought to America as a slave in 1761 But she didn t let her circumstances keep her down She learned to read and write in English and Latin and showed a natural gift for poetry By the time she was twelve her elegy at the death of the great pastor George Whitefield brought her worldwide acclaim Phillis became known to heads of state including George Washington himself speaking out for American independence and the end of slavery She became the first African American to publish a book and her writings would eventually win her freedom More importantly her poetry still proclaims Christ almost 250 years later In Courage to Run Harriet Tubman was born a slave on a Maryland plantation in the 1800 s She trusts in God but her faith is tested at every turn Should she obey her masters or listen to her conscience This story from Harriet s childhood is a record of courage Even more it s the story of God s faithfulness as He prepares her for her adult calling to lead more than 300 people out of slavery through the Underground Railroad In The

Hallelujah Lass Lawton tells the story of Eliza Shirley a 16 year old girl who traveled from England to pioneer the work of the Salvation Army in the United States As a teenager growing up in nineteenth century England Eliza was the picture of a proper young lady But she longed for more than an ordinary middle class life When a group of Hallelujah Lassies marches into Coventry with a ragtag bunch of followers singing and banging tabourines even ensuing riots cannot keep Eliza away She knows at last that this is the work God has prepared for her And she is ready no matter what the cost In Ransom s Mark when 13 year old Olive Oatman s wagon train is raided by outlaw Yavapai Indians she and her sister are captured After enduring harsh treatment they are ransomed by a band of Mohaves Olive struggles to adjust to her new life but finds comfort in her faith and in an unexpected friendship When the time comes for her to return to the white world she is afraid she will never fit in But she learns to see the Mohave design tattooed on her chin as a sign of God s love and deliverance a mark of ransom
