Translation is an innovative and interdisciplinary collection of articles written by leading experts in the emerging field of audiovisual translation AVT In a highly accessible and engaging way it introduces readers to some of the main linguistic and cultural challenges that translators encounter when translating films and other audiovisual productions The chapters in this volume examine translation practices and experiences in various countries highlighting how AVT plays a crucial role in shaping debates about languages and cultures in a world increasingly dependent on audiovisual media Through analysing materials which have been dubbed and subtitled like Bridget Jones s Diary Forrest Gump The Simpsons or South Park the authors raise awareness of current issues in the study of AVT and offer new insights on this complex and vibrant area of the translation discipline Beyond Expectations Frank Forsberg,2011-10 Like a flower or maybe a tenacious weed Frank

Forsberg managed to thrive in the arid soil of the Great Depression Not that it was easy Surely traveling in a boxcar with hobos couldn t have given sixteen year old Forsberg reason to expect much of the future But not only would he retire a Navy captain he d find love friendship and adventure along the way After a slight detour through the school system Forsberg found his way to the Navy where he received an unexpected lifelong education His Navy career spanned three wars and saw America go through profound changes from the unanimous support of World War II to the divisiveness of the Korean War and the Vietnam War As a pilot Forsberg faced challenges that would test his skills and resolve which ultimately strengthened his character He also accepted what may be the even more harrowing mission of starting a family something no amount of training could haveprepared him for The kid that set out across the country with just over a dollar couldn t have known it at the time but he was embarking on the American dream Beyond Expectations is an exciting chronicle of that adventure a saga of facing seemingly impossible situations and living to laugh about it It s been a wild ride so far And that s just the first 90 years
