Smart Girls Get What They Want:

Smart Girls Get What They Want Sarah Strohmeier, 2012-06-26 Gigi Bea and Neerja are best friends and total overachievers. Even if they aren't the most popular girls in school, they aren't too worried. They know their real lives will begin once they get to their Ivy League colleges. There will be Ivy and there will be cute guys in the libraries, hopefully with English accents. But when an unexpected event shows them they're missing out on the full high school experience, it's time to come out of the honors lounge and into the spotlight. They make a pact: They will each take on their greatest challenge and they will totally rock it. Gigi decides to run for student rep, but she'll have to get over her fear of public speaking and go head-to-head with gorgeous California Will. Bea used to be one of the best skiers around until she was derailed. It could be time for her to take the plunge again. And Neerja loves the drama club but has always stayed behind the scenes until now. These friends are determined to show the world that smart girls really can get what they want, but that could mean getting way more attention than they ever bargained for.

Teen Genreflecting Sarah Flowers, Samuel Stavole-Carter, 2020-09-08 Teen Genreflecting serves as a guide to contemporary teen fiction encompassing every genre and format including graphic novels, scrapbook formatted books, verse novels, historical fiction, speculative fiction, contemporary realistic fiction, and more. Teen literature is one of the most popular and quickly growing segments of the publishing world. Not only are teens continuing to read for pleasure, but many adults have discovered the joys of teen literature. As part of the Genreflecting Advisory Series, Teen Genreflecting provides librarians with a road map to the vibrant and diverse body of literature focusing on recent fiction for teens, organizing and describing some 1,300 titles most published within the past ten years, along with perennial classics. The authors indicate where each title fits in the genre scheme, its subject matter, format, and general reading level, and any pertinent awards. They also provide advice on readers advisory services to teens, descriptions of genres and subgenres, and lists of favorites for each genre. As with previous editions, this guide will prove invaluable to librarians building their teen collections and will help them assist teens in finding the books they love, no matter what genre.

Getting What You Want

Kathy Love, 2010-04-06 In this delightful heartwarming novel, Kathy Love introduces the Stepp sisters, three women whose lives are about to take a turn for the wild, the unpredictable, and the absolutely enchanting. Meet Abby. Note to self: Remind me to have my head examined. What exactly possessed me to come home to Millbrook, Maine, where nothing changes but the weather? Oh, right. A six-month grant to do genetics research at Rand Laboratories. What can I say? I'm a smart girl. And smart girls get what they need and get out again. Smart girls don't dream they settle. And smart girls do not get completely tongue-tied while holding a basket of fried clams when they bump into the most gorgeous man they haven't seen in fifteen years. Chase Jordan. Remind me to have my hormones removed. Chase Jordan, town bad boy, Rebel with a cause, to show up in my dreams unannounced. Oh, boy, this is not good. Not smart. It's like high school all over again. But in a good way. A heart-thumping way. And I have no idea what's going to happen. Way. A way that's making me feel like maybe settling for what I have.

isn't so smart but really going after what I want is the craziest thing I may ever do **Smart Girls, Smart Choices** Megan Clinton, 2010-09-01 Every young woman makes mistakes at some point in her life. Usually they are not a big deal and can be fixed. Sometimes though a girl can really mess up her life with a few bad decisions. Wouldn't it be great if everyone had a trusted big sister they could turn to for advice? Megan Clinton, college student at Liberty University and the author of *Totally God's* has a heart for teen girls trying to make their way in today's world. She's discovered 10 things that girls do that make their life crazy. In a comfortable friend-to-friend style, Megan gives compassionate help and godly counsel, including what to do if some bad decisions have already been made. From hanging with the wrong crowd to confusing sex for love or not understanding their own gifts and strengths, Megan helps girls see their path more clearly and find God's way of living. Megan's dad, Christian counselor Dr. Tim Clinton, even adds his thoughts and advice as a loving dad and as a counselor. This practical, heartfelt book will help every teen girl make smart choices for her life. *Smart Girls Screw Up Too* Bella Zanesco, 2017-12-11 Own your screw-ups, get inspired, and create the life you want. Sick of chasing the perfect relationship, career, or bank balance? Tired of feeling like you're never quite enough? You're not alone. And it's time to do something about it. *Smart Girls Screw Up Too* is THE no-nonsense guide for a generation of women who secretly muse about what might be possible in their careers, health, and relationships but don't know where to start or are too afraid to. When a clusterf--- of screw-ups found author Bella Zanesco burnt out, depressed, and with a broken soul, she knew something—perhaps everything—had to change. But what? Her first ports of call were the usual: Band-Aids, Tinder, work, and shopping. But soon she realised those weren't going to work. If she wanted to fix this thing, she was going to need to take extreme measures. And so she began the journey that would transform her from Sad Girl to Smart Girl: a journey that meant taking up all the things that she'd been told were good for her but she had always been too afraid, too busy, or too lazy to try. Cue everything from green juices to setting boundaries to quitting her job to culling her friends. Delivered with no-holds-barred honesty, humour, and compassion, *Smart Girls Screw Up Too* brings together the latest research into gut science, neuroscience, and epigenetics, ancient tribal wisdom, interviews with global game-changers, and insights from the author's own two-year study of over 2,000 women. Paired with a Personal Life Audit, you will get immediate clarity about where to start when seeking purpose, vitality, and love. And together with Bella, the wise but ass-kicking bestie you wish you'd known earlier, you'll embark on a series of simple daily challenges that will not only get you to the root causes of why you think, feel, and behave as you do but see you making changes that stick. No matter what your starting point, you are capable of creating the life you want NOW. **The Real Truth about Teens and Sex** Sabrina Weill, 2006-09-05 The former editor in chief of *Seventeen* magazine provides a revealing look at teens and sex, covering such topics as virginity, celibacy, the role of the media, birth control, sexually transmitted diseases, peer pressure, sex education, and the latest trends. **Smart Girls** Shauna Pomerantz, Rebecca Raby, 2017-01-03 Are girls taking over the world? It would appear so, based on magazine covers, news headlines, and popular

books touting girls academic success Girls are said to outperform boys in high school exams university entrance and graduation rates and professional certification As a result many in Western society assume that girls no longer need support But in spite of the messages of post feminism and neoliberal individualism that tell girls they can have it all the reality is far more complicated Smart Girls investigates how academically successful girls deal with stress the supergirl drive for perfection race and class issues and the sexism that is still present in schools Describing girls varied everyday experiences including negotiations of traditional gender norms Shauna Pomerantz and Rebecca Raby show how teachers administrators parents and media commentators can help smart girls thrive while working toward straight As and a bright future

Why Smart Girls Get Into Bad Relationships and How Not To Do It Again Barbara Leigh, 2024-08-17 Have you ever asked yourself How did I get here and then were struck by the fact that if you don't know how you got here you will probably be here again Does that terrify you You thought you were doing everything right And yet you ended up in a place you didn't want to be Where was the wrong turn Was there a sign you missed How did this happen Those questions are like asking if you got the license plate of the truck that hit you If you knew the truck was out of control you probably would have been better at avoiding being hit Rather than worrying about the next truck maybe it's time to explore how that truck got to the point of hitting you Perhaps you chose to ignore the clues that a truck was careening down the street at you Is it possible you trusted the truck driver and just assumed they were able to see you and actively avoid you Could it be you thought you could outrun the truck Maybe the problem lies in your beliefs about you and the truck With wit and impactful common sense Barbara Leigh raises your romantic situational awareness by looking at how beliefs about yourself and relationships can eventually lead to that hit by a truck feeling Tapping into your own truth to rewrite those beliefs Leigh guides you to a healthier and more aware place where you can learn to trust yourself to move forward truck free
