To Save Everything, Click Here Evgeny Morozov,2013-03-05 A New York Times Notable Book of the Year In the very near future smart technologies and big data will allow us to make large scale and sophisticated interventions in politics culture and everyday life Technology will allow us to solve problems in highly original ways and create new incentives to get more people to do the right thing But how will such solutionism affect our society once deeply political moral and irresolvable dilemmas are recast as uncontroversial and easily manageable matters of technological efficiency What if some such problems are simply vices in disguise What if some friction in communication is productive and some hypocrisy in politics necessary The temptation of the digital age is to fix everything from crime to corruption to pollution to obesity by digitally quantifying tracking or gamifying behavior But when we change the motivations for our moral ethical and civic behavior we may also change the very nature of that behavior Technology Evgeny Morozov proposes can be a force for improvement but only if we keep solutionism in check and learn to appreciate the imperfections of liberal democracy Some of those imperfections are not accidental but by design Arguing that we badly need a new post Internet way to debate the moral consequences of digital technologies **To Save Everything Click Here** warns against a world of seamless efficiency where everyone is forced to wear Silicon Valley s digital straitjacket **Foundations of Joomla!** Bintu Harwani,2015-07-15 Foundations of Joomla is a step by step practical guide that explains building web sites and blogs using Joomla a very popular and powerful content management system CMS The book takes you through the steps of installing Joomla configuring your

database creating a blog and a website followed by instructions on creating new posts and adding content to your site Even if you are an absolute beginner and don't have any programming experience you can build responsive powerful and fully featured websites quickly Following clear and easy to understand instructions you'll master Joomla 3 by building a sample site throughout the book

The Weaponisation of Everything Mark Galeotti, 2022-02-15 An engaging guide to the various ways in which war is now waged and how to adapt to this new reality This brisk everyman's guide straight talking and free of jargon is a useful tasting menu to a fast moving constantly evolving set of problems A lively reminder that war adapts to technology that civilians are part of modern conflict whether they like it or not Roger Boyes The Times Galeotti's field guide is an admirably clear overview in his words quick and opinionated of a form of conflict which is vague and hard to grasp Various descriptions as hybrid sub threshold or grey zone warfare this is the no man's land between peaceful relations and formal combat Helen Warrell Financial Times Hybrid War Grey Zone Warfare Unrestricted War today traditional conflict fought with guns bombs and drones has become too expensive to wage too unpopular at home and too difficult to manage In an age when America threatens Europe with sanctions and when China spends billions buying influence abroad the world is heading for a new era of permanent low level conflict often unnoticed undeclared and unending Transnational crime expert Mark Galeotti provides a comprehensive and groundbreaking survey of the new way of war Ranging across the globe Galeotti shows how today's conflicts are fought with everything from disinformation and espionage to crime and subversion leading to instability within countries and a legitimacy crisis across the globe But rather than suggest that we hope for a return to a bygone era of stable warfare Galeotti details ways of surviving adapting and taking advantage of the opportunities presented by this new reality

I Saw the River Flow by Papri Rudra, 2025-07-10 All Vartika wants after her tragic loss is to nurse her broken heart and give herself a chance to heal Yet even small towns have tales that can surprise the trickiest storyteller What with a friendly ghost who wants to befriend her and the story of a past tragedy of this town that doesn't seem to add up Add to it the strange painting that looks familiar odd gifts that universe seems to be showering on her and an elusive love story she finds herself drawn to Before she knows her hands are pretty full She is sure there is an unsolved mystery here The problem however is that no one else seems to feel that way Are they pretending or is Vartika picking up on something that others don't even know exists
