Ingram,Bruce Baldwin,2001 In this inspired new edition the authors illustrate accounting not as a set of technical procedures to be memorized but as a way of identifying and understanding business problems and a means for evaluating potential solutions Now in its fourth edition the primary goal of this text remains the same to teach students to understand a company's financial statement information This unique organization introduces students to how a business uses accounting information and then emphasizes activities of the firm in the second half of the book This engages students in the type of financing investing and operating decisions that a firm has to make The approach is especially ideal for students who will become users of accounting information because concepts not procedures are emphasized *Financial Accounting* W. Steve

Albrecht,2002 *Books in Print* ,1991 *Accounting* Robert W. Ingram,1999 This true user book focuses on the use of accounting information for decision making It places students into situations where management decisions are needed

Readers learn both when and why accounting information is key to communicating important information within an organization so that management can make informed choices The British National Bibliography Arthur James Wells,2009

Managerial Accounting Robert W. Ingram,Thomas L. Albright,John W. Hill,2000 This book provides a realistic presentation of managerial accounting Unlike any other text Ingram presents managerial accounting as a key communication process for management decision making Additionally students learn that service oriented as well as product oriented organizations apply similar approaches to gain accurate timely information Managerial accounting is viewed throughout the book as part of multi disciplinary management Accountants are part of a team of interdepartmental managers working

together to resolve questions of costing pricing and production Subject Guide to Children's Books in Print 1997 Bowker
