Til Morning Is Night:

The Rebellion Record Frank Moore, 1864 **A Tender Thing** Emily Neuberger, 2021-04-06 An exhilarating debut novel set under the dazzling lights of late 1950s Broadway where a controversial new musical pushes the boundaries of love legacy and art Growing up in rural Wisconsin Eleanor O Hanlon always felt different In love with musical theater from a young age she memorized every show album she could get her hands on So when she discovers an open call for one of her favorite productions she leaves behind everything she knows to run off to New York City and audition Raw and untrained she catches the eye of famed composer Don Mannheim who catapults her into the leading role of his new work A Tender Thing a provocative love story between a white woman and black man one never before seen on a Broadway stage As news of the production spreads setting off an outpouring of protest that threatens the possibility of the show itself Eleanor is forced to confront her own naive beliefs about the world Pulsing with the vitality and drive of 1950s New York A Tender Thing immerses readers right into the heart of Broadway's Golden Age a time in which the music soared and the world was on the brink of change *Cases Argued and Decided in the Supreme Court of the United States* United States.
