2012 Fantasy Football Draft Guide by The Fantasy Fix , From Vick-Tim to Vick-Tory Ms Kenneth N. Robinson, 2013-08

Far beyond detailing NFL star Michael Vick's conviction for dog fighting his prison sentence and comeback Kenneth N Robinson raises important issues concerning the way race and deviance are treated in America His book offers a critical analysis of the broader sports culture of the NFL and its dominant alliance including the media corporate sponsors and the

politics of the state The book examines differential treatment by race and how this pertains to Vick when compared to high profile whites in the NFL i e Ben Roethlisberger and Bill Belichick In addition the harmful impacts of negative labeling show the detrimental effects of Vick being typecast as the face of animal cruelty Not only did the strong social reaction have a deleterious effect on Vick s criminal case but following the police raid of his home in Smithfield Virginia on April 25 2007 the number of African Americans arrested for dog fighting increased disproportionately by race from the five years prior This makes them the only group to see a percent increase in their arrests and convictions in the five years that preceded and followed the April 25th raid of Vick s property This data raises serious questions of selective enforcement by race Overall the strength of this work lies in Robinson s unique analysis of Michael Vick s fall and rise I don t think I have ever described an academic work as creative but each section of this book is just that innovative original and inspired I say this because of the specific comparisons that Robinson utilizes i e dog fighting to bestiality Vick s treatment to Roethlisberger s the NFL to China which have never previously been discussed so thoroughly and sophisticatedly but are undeniable in proving the point that racial discrimination is alive and well in America Adrienne N Milner Ph D University of Alabama at Birmingham About the Author Kenneth N Robinson M S is an adjunct professor of sociology at his alma mater Buffalo State in Buffalo New York Publisher s website <http://sbprabooks.com> KennethNRobinson Growing Up Colt Colt McCoy,Brad McCoy,Mike Yorkey,2011 You watched him vie for the Heisman and national championship and earn a third round NFL draft spot Now meet Colt McCoy up close and personal Growing Up Colt A Father a Son a Life in Football is a unique biography by both the Cleveland Browns quarterback and his father Brad a highly respected football coach in his native Texas Get a behind the scenes view of the formative events of Colt s football experience and the foundational principles of his family and faith life Growing Up Colt promises an inspiring read for football fans of all ages and don t miss the exciting full color photo section

brief overview of the numbers the remaining chapters one for each immaculate inning on record in major baseball provides insight into the men their careers and details of the inning itself from the first recorded perfect inning in 1889 to the most recent string of innings last MLB season in 2014 The names include pitching greats such as Jim Bunning Sandy Koufax Nolan Ryan and Randy Johnson but also many lesser known if not colorful pitchers like Sloppy Thurston and Bill Wilson The teams include famous franchises like the Detroit Tigers and the New York Yankees but also clubs now defunct like the Boston Beaneaters and the Montreal Expos Using immaculate innings as benchmarks the book provides an engaging and entertaining journey through the history of professional baseball that will delight both the serious student of the game as well as the fan who enjoys reading about the game
