The New Heroines Katheryn Wright, 2016-03-21 This book explores how the next generation of teen and young adult heroines in popular culture are creating a new feminist ideal for the 21st century Representations of a teenage girl who is unique or special occur again and again in coming of age stories It s an irresistible concept the heroine who seems just like every other but under the surface she has the potential to change the world This book examines the cultural significance of teen and young adult female characters the New Heroines in popular culture The book addresses a wide range of examples primarily from the past two decades with several chapters focusing on a specific heroic figure in

popular culture In addition the author offers a comparative analysis between the New Woman figure from the late 19th and early 20th century and the New Heroine in the 21st century Readers will understand how representations of teenage girls in fiction and nonfiction are positioned as heroic because of their ability to find out about themselves by connecting with other people their environment and technology **Electric Power** ,1894 **Energy Research Abstracts** ,1987 **Yearnings of the Soul** Jonathan Garb,2015-11-23 Jonathan Garb s Yearnings of the Soul Psychological Thought in Modern Kabbalah is an original path breaking study of the renderings of the heart and soul in the works of major minor and obscure but important figures of modern Kabbalah Garb has unearthed a treasure trove of neglected figures and texts bringing into dialogue their views on heart and soul with those found in other religious and secular authorities There is no other study that comes close to the territory Garb covers or for that matter provides the historical and cultural context necessary for understanding the rise of such psychological renderings in the works of the modern Kabbalists His analysis shows that any attempt to essentialize the multiple and varied understandings of heart and soul in Jewish mysticism is mistaken Analyzing text and figure in context on a case by case basis Garb is able to provide comparison without being reductive This is an invaluable contribution to the discipline that cements Garb as the leading scholar of modern Kabbalah **Reprints - National Radio Astronomy Observatory, Green Bank, W.
