An Outline of the End Times PT Nicholson, 2016-12-15 An Outline of the End Times is written by a layperson for laypeople In an attempt to be comprehensive yet concise and thorough PT Nicholson explores prophetic scripture in relation to the end times He weighs up counterarguments of key issues that divide Christians regarding the tribulation and the millennium and carefully synthesizes an outline of events without overlooking difficulties Combined with exhaustive scripture references he uses charts tables maps sketches and graphs to explain issues and analyse topics as succinctly as possible About 25 percent of the Bible is prophecy and according to a well known and respected scholar on Bible prophecy John Walvoord five hundred of one thousand prophetic events remain unfulfilled Yet many Christians have only a vague notion of how end time events will unfold due to inadequate teaching and a shortage of comprehensively researched books on the subject An Outline of the End Times serves as a reference resource to help meet this need

To Make a Village Soviet Emily B. Baran, 2022-08-15 In June 1949 the Soviet state arrested seven farmers from the village of Bila Tserkva Not wealthy or powerful the men were unknown outside their community and few had ever heard of their small isolated village on the southwestern border of Soviet Ukraine Nevertheless the state decided they were dangerous traitors who threatened to undermine public order and a regional court sentenced them to twenty five years of imprisonment for treason In *To Make a Village Soviet* Emily Baran explores why a powerful state singled out these individuals for removal from society Bila Tserkva had to become a space in which Soviet laws and institutions reigned supreme yet Sovietization was an aspiration as much it was a reality The arrested men belonged to a small and misunderstood religious minority the Jehovah's Witnesses and both Witnesses and their neighbours challenged the government's attempts to fully integrate the village into socialist society Drawing from the case file and interviews with the families of survivors Baran argues that what happened in Bila Tserkva demonstrates the sheer ambition of the state's plans for the Sovietization of borderland communities A compelling history *To Make a Village Soviet* looks to Bila Tserkva to explore the power and the limits of state control and the possibilities created by communities that resist assimilation
