such themes as coming of age dealing with the cruel world sports the despicable and Disney LeVitre also analyzes film that should have been in the first book but were not because they were then too complicated or were not on his radar and he adds to and or corrects comments made in the first book LeVitre in most cases ties films to Scripture However his Holy Spirit again has led him to explore areas of his life in a few instances The author had believed the first book would be the last for about a week Then God inundated him with what appears in this volume Since the beginning LeVitre a pastor s son has been looking for the moral of the story and by doing so has been entertained but more importantly has been enlightened LeVitre has been proud to call New Hampshire home since 1968
