My Beautiful Laundrette Christine Geraghty,2004-10-29 Described by Stuart Hall as one of the most riveting and important films produced by a black writer in recent years My Beautiful Laundrette was a significant production for its director Stephen Frears and its writer Hanif Kureshi Omar member of a Pakistani family getting ahead in 1980s Thatcher s Britain is charged to make over a rundown launderette and in the process falls in love with the brooding Johnny Daniel Day Lewis in career making form Christine Geraghty interrogates My Beautiful Laundrette as a crossover film between television and cinema realism and fantasy and as an independent film targeting a popular audience She deftly shows how it has remained an important and watchable film in the 1990s and early 2000s and her exploration of the film itself is a remarkable original and entertaining achievement *Mickey Spillane on Screen* Max Allan Collins,James L. Traylor,2018-01-12 In the

mid 20th century Mickey Spillane was the sensation of not just mystery fiction but publishing itself The level of sex and violence in his Mike Hammer thrillers starting with I the Jury in 1947 broke down long held taboos and engendered a near hysterical critical backlash Nonetheless Spillane s influence has been felt reflections of Hammer are visible in nearly every subsequent tough guy of fiction and film including James Bond Dirty Harry Shaft Billy Jack and Jack Bauer Spillane s fiction

came to the screen in a series of films that include *Kiss Me Deadly* 1955 and *The Girl Hunters* 1963 with the author himself playing his private eye. These films and television series starring Darren McGavin and Stacy Keach respectively are examined in a lively knowledgeable fashion by Spillane. Included are cast and crew listings, brief biographical entries on key persons, and a lengthy interview with Spillane. *Cable Vision*, 1999. The premium entertainment magazine. **Focus On: 100 Most Popular African-American Players of American Football** Wikipedia contributors, *Focus On: 100 Most Popular American Football Running Backs* Wikipedia contributors, **George Washington on Screen** Leigh Ehlers Telotte, 2023-07-17. One of the most moving narratives from the American Revolution is the first presidential administration and the many precedents set by George Washington. While media historians have extensively analyzed screen portrayals of the more sensational events of America in the 1750s to the 1790s, far less attention has been paid to portrayals of the first presidency and the character of George Washington in film, television, and other formats. This book addresses that gap by providing the most comprehensive analysis of the character of George Washington on screen. Divided into two parts, the book begins with an analysis of how the Washington character has evolved through time and screen media from early silent films to modern multimedia products. In Part II, a filmography documents each piece of screen media that features a representation of Washington. It includes silent films, theatrical films, cartoons, television, and screen media from the 21st century such as streaming video games and multimedia presentations. Arranged alphabetically, each entry includes format, type, production details, crew, and cast lists, and a brief description of Washington's character in relation to the plot. *Television & Cable Factbook*, 2008. **Leonard Maltin's 2015 Movie Guide** Leonard Maltin, 2014-09-02.
