Focus On: Asan Medical Center Josef Woodman,2011-09-13 Patients Beyond Borders the best selling consumer reference guide on medical tourism is pleased to announce the release of FOCUS ON Asan Medical Center AMC profiling South Korea's largest nonprofit hospital FOCUS ON AMC will feature the medical center's world class facilities highlight its pioneering developments in areas such as organ transplantation and coronary artery intervention and showcase its many world renowned centers of excellence Established in June 1989 by Hyundai Motor Company founder Chung Ju Yung also known as Asan AMC's mission was to create a hospital with an emphasis on caring for life and sharing with those in need and pain Today the main facility one of the largest hospital campuses in the world encompasses more than 4 million square feet and houses over 2 700 beds AMC also has longstanding partnerships with the University of Ulsan College of Medicine Seoul Partners Harvard Medical International Boston Imperial College London and various hospitals across Asia Korea has some of

the best healthcare and medical infrastructure in the world and Asan Medical Center has clearly secured its place as one of the country's leading providers said Josef Woodman president and CEO of Healthy Travel Media. Revered for its high success rates with organ transplantation and treatment of cancer and vascular disease Asan is also well known for disease prevention. And the savings are substantial averaging 20% to 60% less than US costs. Offering patient centered care and international partnerships for post operative care coupled with full time English speaking specialists patient escorts and translation services and other international patient services the center currently attracts more than 3 300 global patients per year. AMC's patient centered mindset is further manifested in its surroundings including rooftop parks multicultural eateries retail shops on site library and more. We believe that partnering with Patients Beyond Borders will provide even greater branding and visibility for us particularly in promoting our facility to the international patient said Dr Joon Pio Hong MD PhD MBA chief of the Plastic Surgery Department and director of Asan's International Office. This new digital and online format will be far more accessible to healthcare consumers. FOCUS ON AMC will be accessible from a variety of sources including the Patients Beyond Borders website AMC's website Kindle GoogleBooks Apple iBooks and other eBook readers iPhone and other mobile devices medical business and reference libraries worldwide and all popular social networks.

Everest Broughton Coburn, 2015 A filmmaker and veteran climber David Breashears led the May 1996 expedition that captured Everest in a large format IMAX motion picture. Everest is the breathtaking chronicle of a filmmaking expedition turned rescue mission. 125 stunning full color images including IMAX frames from the film The Real Guide David Reed, Jack Holland, 1991. *An Illustrated Guide to the Kathmandu Valley* John Sanday, 1989. **Handbook of Research on Sustainable Tourism and Hotel Operations in Global Hypercompetition** Sezerel, Hakan, Christiansen, Bryan, 2022-10-07 To compete effectively today and remain sustainable over the long term business organizations must create flexible means of generating competitive advantage given the hypercompetitive nature of the global marketplace in all industries including tourism. The COVID 19 pandemic has exacerbated the situation thus requiring the tourism industry to reassess itself and realign operations with global and local realities. The Handbook of Research on Sustainable Tourism and Hotel Operations in Global Hypercompetition examines various aspects of the hospitality recreation and tourism industries. It contributes empirical research theoretical development and current best practices to the field. Covering topics such as sustainable medical tourism technology acceptance model and cultural tourism this major reference work is an essential resource for community leaders business executives and managers government officials librarians students and faculty of higher education researchers and academicians.

Globalization Hector Cuadra-Montiel, 2012-08-17 The book *Globalization Education and Management Agendas* takes the ambitious undertaking of presenting multidimensional approaches to those global issues. It consists of 13 chapters divided into three sections Globalization and Education Globalization and Management Globalization and the Firm. Its authors embody a global research culture. One that is plural growing and dynamic as it is evidenced in their respective

agendas and methodological approaches The value of this book lies in its diversity and its merit will be appreciated by a global community of scholars The Watch & Clock Makers' Handbook, Dictionary and Guide Frederick James Britten,1896

Nepal Michael J. Hutt,1995 Essential for both the traveller and scholar alike Nepal fills a long dormant gap in the literature of this spectacular region and is a product of many years of individual research by scholars of Nepal s history religion art and sociology It draws on a variety of authoritative studies of Nepal s cultural history that have been published in European and Nepalese languages The guide begins with an overview of the history of Nepal This focuses on the Kathmandu Valley with its rich and sophisticated culture but also outlines developments of historical importance outside the Valley This is followed by a detailed introduction to religion as it is practised in Nepal here the focus is on Hinduism and Buddhism and on the major deities of each tradition their relationship to one another and their representation in art and sculpture Although written mainly by academics the book is intended for a general readership Easily portable in format Nepal does not tell the reader where to stay what to eat or what to wear It will though help those who wish to appreciate the cultural splendours of Nepal in their historical and religious context and require more information than is imparted by the average tourist
