The Dumont Diaries Alessandra Torre,2013-10-21 Candace Tapers life finally takes an upward swing when Nathan Dumont shipping heir and notorious playboy sweeps her away to a lifestyle of wealth and privilege But that life comes with strings and she is soon pulled in directions she never expected discovering secrets and ulterior motives in the man who shares her bed

The French Revolution and the Creation of Benthamism C. Blamires,2008-07-10 The first study of how Genevan Etienne Dumont and his traumatic experience of the French Revolution shaped the reception and presentation of Benthamism and masked the true face of Jeremy Bentham one of the architects of modern society who visualised a new world based on the values of transparency accountability and economy

The Bentham Brothers and Russia Roger Bartlett,2022-09-29 The jurist and philosopher Jeremy Bentham and his lesser known brother Samuel equally talented but as a naval architect engineer and inventor had a long love affair with Russia Jeremy hoped to assist Empress Catherine II with her legislative projects Samuel went to St Petersburg to seek his fortune in 1780 and came back with the rank of Brigadier General and the idea famously publicised by Jeremy of the Inspection House or Panopticon The Bentham Brothers and Russia chronicles the brothers later involvement with the Russian Empire when Jeremy focused his legislative hopes on Catherine s grandson Emperor Alexander I ruled 1801-25 and Samuel found a unique opportunity in 1806 to build a Panopticon in St Petersburg the only panoptical building ever built by the Benthams themselves Setting the Benthams projects within an in depth portrayal of the Russian context Roger Bartlett illuminates an important facet of their later careers and offers insight into their world view and way of thought He also contributes towards the history of legal codification in Russia which reached a significant peak in 1830 and towards the demythologising of the Panopticon made notorious by Michel Foucault the St Petersburg building still relatively unknown is described here in detail on the basis of archival sources The Benthams interactions with Russia under Alexander I constituted a remarkable episode in Anglo Russian relations this book fills a significant gap in their history
