*ILLUSION (English Edition)* Frances Keinzley, 2020-12-01 On a raw wet winter's day as Eloise watches her daughter Deborah's coffin being lowered into the cold ground of the little country churchyard her overriding emotions are those of hatred and revenge To Eloise Steven appears a cold blooded murderer in that by forcing Deborah to agree to an abortion he has caused her death as surely as if he had killed her with his own hands Driven by grief and the desire for revenge Eloise determines she will contrive somehow that Steven shall meet a murderer's rightful end at the hands of the Law *Illusion* tells the story of Eloise's ingenious scheming of how she uses her simple minded twin sister as together they leave their life of self imposed strangely old fashioned seclusion for the romantic setting of a luxury liner and of how on the voyage taking them halfway round the world strange and entirely unforeseen complications arise over which Eloise realises she has no control This spine chilling mystery is one of the most exciting novels by Frances Keinzley 1922 2006 winner of the Literary Award in New Zealand in 1960 Keinzley is more than a talented and intelligent storyteller she is a subtle psychologist who is able to create believable characters Ingenious and inventive with a surprise solution the book is most cleverly and sensitively worked out It is both powerful and memorable *Quintus Claudius, Volume 2 (of 2) (English Edition)* Ernst Eckstein, Clara Bell, 2014-11-08 Example in this ebook CHAPTER I The same day which saw our friends in the country house at Ostia and the bond of love sealed between Aurelius and Claudia had been one of infinite agitation and annoyance to the Emperor Domitian The very first thing in the morning came vexatious tidings from the town and provinces At the earliest dawn inscriptions had been discovered on several of the fountains columns and triumphal arches of which the sting was more or less covertly directed against the Palatium and the person of Caesar Enough was attached to the base of a portrait bust The fruit is ripe was legible on the arch of Drusus In the fourth eighth and ninth regions the revolutionary question was to be seen in many places Where is Brutus and at the entrance of the baths of Titus in blood red letters stared the appeal Nero is raging Galba why dost thou tarry Domitian who had heard all this from his spies long before the court officials even suspected what had happened received these courtiers in the very worst of tempers His leave was not yet ended when a mounted messenger brought the news that a centurion had raised the standard of revolt on the Germanic frontier but that he had been defeated and slain after a short struggle At noonday the soldiers of the town guard seized an astrologer Ascletrio by name who had publicly announced that ruin threatened Caesar Before the moon should have twelve times rounded so ran his prophecy Caesar's blood would be shed by violence The immortals were wroth at his reprobate passion for a woman who by all the laws of gods and men he had no right to love At first Domitian laughed His connection with Julia seemed to him so dull and pointless a weapon for his foe to turn against him that the stupidity of it astonished him However he commanded that the astrologer should be brought before him Who paid you he enquired with a scowl when the prisoner was dragged into the room No one my lord You lie My lord as I hope for the mercy of the gods I do not lie Then you really assert that you actually

read in the stars the forecast you have uttered Yes my lord I have only declared what my skill has revealed to me The superstitious sovereign turned pale Well then wise prophet you can of course foretell your own end Yes my lord Before this day is ended I shall be torn to pieces by dogs Domitian looked scornfully round on the circle of men I fancy he said that I can upset the prophetic science of this worthy man Carry him off at once to execution and take care that his body is burnt before sundown The astrologer bowed his head in sullen resignation He was led away to the field on the Esquiline and immediately beheaded before an immense concourse within an hour Domitian was informed that all was over At this news his temper and spirit improved a little He congratulated himself on the prompt decision which had so signally proved the falsehood of the prophecy At dinner he carried on an eager conversation with Latinus the actor who among other farcical parts filled the role of news monger You are later than usual to day said Caesar graciously What detained you To be continue in this ebook
