To Die Is Gain

James Hastings

To Die Is Gain:

To Live is Christ, to Die is Gain Jonathan Parsons, 1771 To Live Is Christ to Die Is Gain Matt Chandler, Jared C. Wilson, 2013-09-01 Using Paul's radical letter to the Philippians as his road map Matt Chandler forsakes the trendy to invite readers into authentic Christian maturity The short book of Philippians is one of the most quoted in the Bible yet Paul wrote it not for the popular sound bites but to paint a picture of a mature Christian faith While many give their lives to Jesus few then go on to live a life of truly vibrant faith In this disruptively inspiring book Chandler offers tangible ways to develop a faith of pursuing chasing knowing and loving Jesus Because if we clean up our lives but don't get Jesus we've lost So let the goal be Him To live is Christ to die is gain this is the message of the letter Therefore our lives should be lived to Him through Him for Him with Him about Him everything should be about Jesus **To Die is Gain** Johann Christoph Hampe, 1979 *To Die Is Gain: A Theological (Re-)Introduction to the Sacrament of Anointing of the Sick for Clergy, Laity, Caregivers, and Everyone Else* Roger W. Nutt, 2022-05-05 The Anointing of the Sick is possibly the most underappreciated and understudied sacrament In *To Die Is Gain* Roger Nutt seeks to bring greater attention to and appreciation for the Anointing of the Sick Beginning with an examination of cultural perceptions of dying death and burial *To Die Is Gain* exposes the ways in which contemporary atheism and physicalism mark a clear divergence from ancient attitudes In contrast to contemporary hopelessness the Anointing of the Sick is a powerful counter witness that highlights the great dignity of the human person and the depth of Christian hope Unlike the cures to particular ailments facilitated by modern medical science in Holy Anointing Jesus gives his dying followers the healing graces that they need to pass from this life to the next in loving union with Him As Nutt exposes the biblical and traditional foundations of this sacrament he corrects common misconceptions and malpractice of this sacrament especially the ways in which Vatican II is often misleadingly enlisted to support a broadening of the sacrament from end of life situations to non life threatening illnesses Finally Nutt carefully describes the graces and effects of the Anointing of the Sick and richly expounds the theological depth of the rite of the Anointing of the Sick The result is that readers can confidently say with St Paul that To die is gain Philippians 1:21 , **The Great Texts of the Bible: Ephesians to Colossians** James Hastings, 1913 Zion's Hymns, intended as a Supplement to Dr. Watts's Psalms and Hymns Joseph IRONS (Minister of Grove Chapel, Camberwell.), 1825 *Bible Vs. Dave Earley, 2012 Dozens of brief yet powerful entries for pastors about what it really means to be on mission spiritual warriors who lead the local church from a biblical point of view instead of a modern traditional one The Earthen Vessel and Christian Record & Review , 1855 **Expository notes, with practical observations, on the New Testament** William Burkitt, 1832 *Word Up!* Bishop Gregory Tucker, 2015-09-30 The Word of God is anointed by the Holy Spirit to completely change and transform your life After reading these inspirational messages your life will never be the same again Galatians, Ephesians, Philippians Mark J. Galatians Ephesians and Philippians have struck an indelible impression on Christian tradition and piety In this ACCS volume the expository voices of Jerome Origen Augustine Chrysostom Ambrosiaster Theodoret Marius Victorinus and Theodore of Mopsuestia speak again with eloquence and intellectual acumen **Expository Notes, with Practical Observations, on the New Testament ... Romans to Philippians John Lyth,1869 **The Kingdom of God Is among You** Gordon D. Fee,Cherith Fee Nordling,2025-03-17 In this exciting volume a renowned New Testament scholar provides his lectures on New Testament theology and provides us a window on his approach on a variety of issues He describes the task as follows New Testament theology is the art of giving coherence to the collective witness of the twenty seven New Testament documents as they attest to the Christian faith while not sacrificing the historical particularity of any one text or author within the canon and to do this as clearly as possible and with as much consistency and unity as possible New Testament theology deals with all the New Testament We must resist the tendency to find a canon within the canon or to neglect some lesser figures in the New Testament canon New Testament theology is first of all a descriptive task i e we must first try to describe what is there But given our stance toward Scripture what we describe also becomes prescriptive or normative We must never forget that the writings of the New Testament are ad hoc documents written in each and every case to speak to a specific need Thus rather than careful systematic presentations of theology such as in a book or a lecture the earliest Christian theology is worked out in the marketplace as it were Therefore we must be careful not to force the New Testament writers to answer all of our questions nor even to use our logic or thought forms excerpted from chapter 1 A Complete System of Christian Theology Samuel Wakefield,1869 The Thomas Watson Collection. Illustrated Thomas Watson,2021-06-14 Thomas Watson was a 17th century minister at the church of St Stephen Walbrook in London As a pastor he set himself two goals First he wanted unbelievers to grieve over their fate and realize the necessity of God s grace On the other hand he wanted believers to rejoice in the assurance that they had received God s grace His books are simple but exciting commentaries with many practical examples and applications He explains the paradox that both good and bad events contribute to the benefit of believers He spends a great deal of time explaining what it means to love God and be called by His will In this book Watson manages to answer one of the most plaguing theological questions of all time Why do bad things happen to good people This eBook includes the following 14 volumes by Thomas Watson Body of Practical Divinity The Ten Commandments The Lord s Prayer The Beatitudes The Godly Man s Picture The Art of Divine Contentment A Treatise Concerning Meditation The Great Gain of Godliness The Doctrine of Repentance The Mischief of Sin A Divine Cordial The Christian Soldier The Christian s Charter The Duty of Self Denial **Together with Jesus** Richard E Lauersdorf,2003-01-01 It can sometimes feel like we re going

through life alone Together with Jesus reminds you that you are never alone Your Savior walks by your side each and every day These 366 short devotions provide you with strength encouragement and comfort to help you face each new day Drawing from his own experiences author Richard Lauersdorf writes each devotion to sharpen your focus on Jesus and encourage you to put your faith into practice Each one page devotion includes Scripture verses a faith building devotion and a short prayer Spend a few minutes every day together with Jesus in this book and grow closer to him as you walk by faith through this life
