To Hear The Word Second Edition:

To Hear the Word - Second Edition John Howard Yoder, 2010-01-01 Of very few people can it be legitimately said that their work fundamentally reconfigured the landscape of two theological disciplines But if there is anyone in recent memory who would be worthy of such an accolade it is John Howard Yoder The two disciplines are of course theological ethics and biblical studies though Yoder would cringe at their separation and his work was both explicitly and implicitly a prolonged exercise in maintaining their indissoluble union For him to hear the word rightly was to do the word publicly Yoder guides us toward a truly ecclesial yet missional reading of Scripture with a profoundly Anabaptist yet ecumenical and catholic spirit in historically astute and literarily sensitive ways that are nonetheless straightforward and pastoral Or as he would himself say he guides us toward a reading of Scripture that proceeds from and focuses on Jesus Vicit Agnus Noster Eum Sequamur Our Lamb has conquered let us follow him from the foreword by Michael J Gorman [Understanding the Book of Revelation](#)
