Talking With The Dead Psychic Journeys To The Other Side:

Psychic Scotland Tom Rannachan, 2007-10-15 In *Psychic Scotland* Scottish psychic medium and paranormal investigator Tom Rannachan takes us on a dark journey through the supernatural side of his native land. He shares clairvoyant incidents that happened in the early days and some of the truly frightening paranormal experiences he has had. Witness Scotland through the eyes of someone who has been in contact with the other side since he was a young boy and read about the moments when he encountered the dark side of his country's history. *Psychic Scotland* takes us to some famous and not so famous haunted locations where the reader can relive Tom's experiences and the emotions he feels as long dead spirits make themselves known. Tom also describes the different methods that can be used for tuning in to a place with paranormal activity and explains how you can decipher what is fact and what is fiction when investigating ghostly phenomena. *Psychic Scotland* is a unique piece of work within this field. It is a history book, an autobiography, and a paranormal guidebook all rolled into one astonishing journey.

Synchronicity and the Other Side Rob MacGregor, Trish MacGregor, 2018-01-20 You see your grandmother's favorite bird outside your window not long after her death. You inexplicably feel drawn to vacation at a remote location you've never been to only to discover that your ancestors lived there hundreds of years ago. Everywhere you look you notice the numbers 1111 on clocks, license plates, odometers. Signs from the afterlife are everywhere if you only know how to look. In this groundbreaking book you'll discover how meaningful coincidence, synchronicity, is key to your connecting with loved ones who have passed on. Such contact can come to you through dreams and meditation, mediums and signs, and more. From the unexpected appearance of familiar animals, images and sounds to clusters of numbers and objects you'll learn how to recognize when and how people from the other side are trying to connect with you.
