Rebels of Gor John Norman,2014-04-01 A battle between two species may determine the fate of the world in this long running adventure saga John Norman takes you on a journey to World's End a set of once unknown islands far west of the continental mainland Lying across vast turbulent Thassa these mysterious islands were reached for the first time during the historic voyage of the ship of Tersites Now this remote locale has been chosen by two warring technologically advanced species the bestial imperialistic predatory Kurii and the retiring secretive Priest Kings the gods of Gor On this all too real gaming board a roll of the dice will determine the fortunes and fate of Gor and perhaps that of Earth Few realize the momentous nature of the conflict seeing in it no more than a local war for territory and power Those who grasp the dimensions of the game realize that the stakes are nothing less than the world itself Rediscover this brilliantly imagined world where men are masters and women live to serve their every desire *Rebels of Gor* is the 33rd book in the Gorean Saga but you may enjoy reading the series in any order **Raiders of Gor** John Norman,1997-08-01 *Smugglers of Gor* John Norman,2012-09-01 This is an unusual book having to do with alleged events on the alleged world Gor the Antichthon or Counter Earth as it seems to have two narrators or authors who as the texts will have it see and relate to certain events possibly of consequence to the fate of worlds It may be recalled that the great ship of Tersites to the best of our knowledge was the first ship to successfully negotiate Thassa the sea in a voyage which led to the World's End an unusual gaming board on which two from the human point of view alien species may be gambling for a world the pieces being men In this book which in its way constitutes a prequel to **MARINERS OF GOR** we learn that a mysterious cargo suitably disguised was covertly placed on the great ship a cargo which might influence the outcome of the aforementioned gamble or wager One narrator is a young woman once a Miss Margaret Alyssa Cameron and the other is an individual whose name for reasons which will become obvious is withheld in the manuscript It does seem clear however that the individual referred to was somehow instrumental in bringing the former Miss Cameron to the height of a large slave block in the coastal city of Brundisium one of Gor's major ports John Norman is creator of the Gorean Saga a series of novels spanning over 30 titles that have become cult classics Coinciding with the 40th anniversary of the first book of the Gorean Saga Tarnsman of Gor E Reads is proud to release the very first complete publication of all Gor books by John Norman in both print and ebook editions Each book of this release has been specially edited by the author and is a definitive text **Priest-Kings of Gor** John Norman,2011-12-21 This is the third installment of John Norman's popular and controversial Gor series Tarl Cabot is
