Copley and others* Family experiences,Esther Copley,1852 [Without Proof Or Evidence](#) O. K. Bouwsma,2004-03-01 In Without Proof or Evidence O K Bouwsma weaves through the central topics of Western religion the rationality of religious belief the nature of Christianity the promise of eternal life the definition of faith and proofs of the existence of God When he works with the problems of Descartes or Moore or Wittgenstein surveying the marketplace of language in which we all have commerce he has the familiarity of an experienced trader But in his work with the problems of Anselm or Nietzsche or Kierkegaard in which the Scriptures move between background and foreground there is another dimension a concern with whether the Scriptures have been properly understood what such an understanding might be and

how it affects someone who so understands them
