scenes of large scale mob violence are especially vivid if superficial in historical understanding The complex plot involves Sydney Carton s sacrifice of his own life on behalf of his friends Charles Darnay and Lucie Manette [A Tale of Two Cities - Literary Touchstone Edition](#) Charles Dickens,2005 This Prestwick House Literary Touchstone Edition includes a glossary and reader s notes to help the modern reader contend with Dickens s complex approach to the human condition Set against the backdrop of the French Revolution A Tale of Two Cities remains one of Western literature s most powerful stories of sacrificial love redemption and the devastation spread by obsessive justice Having fled Paris for the relative safety and security of London Dr Manette his daughter Lucie and Charles Darnay are irresistibly lured into a whirlwind of events that threaten to shatter their lives until a hopeless drunkard remembers the promise he once made to the only woman he ever loved Dickens originally published A Tale of Two Cities in weekly installments ensuring that his readers would return to read each new segment The collected chapters have continued to excite and move readers for over a century **A Tale of Two Cities - Spotlight Edition** Charles Dickens,2005 Prestwick House is proud to offer our Spotlight Editions thoughtful intelligent adaptations of some of the world s greatest literature Each Spotlight Edition maintains the rich integrity of the original work while adapting the language to be more accessible to the average high school student In addition to providing a more readable text Prestwick House Spotlight Editions are enhanced providing your students with thoughtful guided reading questions and margin notes to help students navigate the text suggestions for thought and discussion research opportunities for richer understanding of the text and its contexts suggested writing activities to foster deeper thinking *Catalog of Copyright Entries.
