his comeback hit *Streets of Bakersfield* to his induction into the Country Music Hall of Fame In these pages Buck also shows his astute business acumen having been among the first country artists to create his own music publishing company He also tells of negotiating the return of all of his Capitol master recordings his acquisition of numerous radio stations and of his conceiving and building the Crystal Palace one of the most venerated musical venues in the country Buck Em is the fascinating story of the life of country superstar Buck Owens from the back roads of Texas to the streets of Bakersfield Click [here](#) to watch a video extra on YouTube for Buck Em
