Myers,Michelle Holland,2015-09-07 For more than forty years the Institute for Oral History at Baylor University has dutifully gathered the flesh and blood memories of the World War II generation in the state of Texas *Tattooed on My Soul* brings together seventeen of the most compelling narratives from Baylor s extensive collection of more than five thousand interviews Taken together these selections provide an authentic and powerful mosaic of those critical years and offer intimate glimpses into the reality and meaning of the war for those who fought it For them World War II is more than history And when they tell their stories it becomes more than facts and dates victories and defeats for those who listen Representing a cross section of Texas population and a wide range of wartime assignments these recollections reveal the personal perspectives on many events and figures of World War II On land in air and by sea in the Pacific and in Europe they fought for America s future With the clear ring of authenticity and a surprising immediacy even after all these years their stories make a global war personal Below-the-line Talent ,2002 **Billboard** ,1946-07-27 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **1998 Cinematographers, Production Designers, Costume Designers, and Film Editors Guide** Lone Eagle Publishing,Edited & Compiled by Lone Eagle Publishing,1997-07 The most complete reliable and comprehensive reference book on below the line crew for motion pictures Made Men Antonio Nicaso,Marcel Danesi,2013-07-05 The novel *The Godfather* 1969 and the movie of the same name 1972 entrenched the myth of the Mafiosi as valiant knights men of honor and defenders of the traditional concept of family As a result of this movie and other popular portrayals the image of mobsters as men of honor and tradition has become iconic throughout America Yet the truth of the matter belies this more noble image The Mafia is a ruthless organization Their concept of family is a twisted one But viewed through the lens of popular culture it is often difficult to separate the fiction from the reality *Made Men* demystifies this image by dismantling the code of honor that Mafiosi live by including its attendant symbols rituals and the lifestyle that it demands Since the end of World War II the Mafia in Italy and America has undergone major changes which are charted by the authors through the present day Nicaso and Danesi also consider all kinds of related organizations not only the Italian ones including the Yakuza the Triads and the Russian Mafia The authors look at organized criminal culture in general attempting to explain why its symbols rituals and practices continue to draw people in both as literal members or as consumers of the pop culture that glorifies them This story traces and decodes the origins history and success of the mafia in the U S bringing a better and more accurate understanding of this ultimately brutal violent and corrupting family business It is a story that has rarely been

told in this way but which is believed nonetheless important to tell **Billboard** ,1959-08-10 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Female Masculinity** Judith Halberstam,Jack Halberstam,1998 Masculinity without men In *Female Masculinity* Judith Halberstam takes aim at the protected status of male masculinity and shows that female masculinity has offered a distinct alternative to it for well over two hundred years Providing the first full length study on this subject Halberstam catalogs the diversity of gender expressions among masculine women from nineteenth century pre lesbian practices to contemporary drag king performances Through detailed textual readings as well as empirical research Halberstam uncovers a hidden history of female masculinities while arguing for a more nuanced understanding of gender categories that would incorporate rather than pathologize them She rereads Anne Lister s diaries and Radclyffe Hall s *The Well of Loneliness* as foundational assertions of female masculine identity She considers the enigma of the stone butch and the politics surrounding butch femme roles within lesbian communities She also explores issues of transsexuality among transgender dykes lesbians who pass as men and female to male transsexuals who may find the label of lesbian a temporary refuge Halberstam also tackles such topics as women and boxing butches in Hollywood and independent cinema and the phenomenon of male impersonators *Female Masculinity* signals a new understanding of masculine behaviors and identities and a new direction in interdisciplinary queer scholarship Illustrated with nearly forty photographs including portraits film stills and drag king performance shots this book provides an extensive record of the wide range of female masculinities And as Halberstam clearly demonstrates female masculinity is not some bad imitation of virility but a lively and dramatic staging of hybrid and minority genders Jack Tar vs. John Bull Jesse Lemisch,2015-01-28 This classic study explores the role of merchant seamen in precipitating the American revolution It analyzes the participation of seamen in impressment riots the Stamp Act Riot the Battle of Golden Hill and other incidents The book describes these events and explores the social world of the seamen offering explanations for their actions Focusing on the culture politics and experiences of early American seamen this legendary study played an important role in the development of histories of the common people and has inspired generations of social and early American historians Lemisch s later related article *Jack Tar in the Streets* was named one of the ten most important articles ever published in the prestigious *William and Mary Quarterly* Long unavailable this edition includes an index and an appreciative foreword by Marcus Rediker author of *Between the Devil and the Deep Blue Sea Merchant Seamen Pirates and the Anglo American Maritime World 1700 1750* Ph D Dissertation Yale University 1962 *Jack London and Hawaii* Charmian London,1918 Obituaries from the Kern Valley Sun newspaper Clan Diggers Genealogical Society,
