Voter Guide Louisiana 20elections:

Electronic Voting Robert Krimmer, Melanie Volkamer, David Duenas-Cid, Peter Rønne, Micha Germann, 2022-09-02 This open access book LNCS 13353 constitutes the proceedings of the 7th International Conference on Electronic Voting E Vote ID 2022 held in Bregenz Austria in October 2022 The 10 full papers presented were carefully reviewed and selected from 39 submissions The conference collected the most relevant debates on the development of Electronic Voting from aspects relating to security and usability through to practical experiences and applications of voting systems also including legal social or political aspects amongst others

Nonpartisan Primary Election Reform R. Michael Alvarez, J. Andrew Sinclair, 2015-04-16 Over the years observers of American politics have noted the deleterious effects of party polarization in both the national and state legislatures Reformers have tried to address this problem by changing primary election laws A theory underlies these legal changes the reformers tend to believe that more open primary laws will produce more centrist moderate or pragmatic candidates The top two primary just implemented in California represents the future of these antiparty efforts Nonpartisan Primary Election Reform examines California s first use of the top two primary system in 2012 R Michael Alvarez and J Andrew Sinclair evaluate the primary from a variety of perspectives and using several different methodologies Although the first use of this primary system in California did not immediately reshape the state s politics it also did not have many of the deleterious consequences that some observers had feared This study provides the foundation for future studies of state primary systems
